Filipinos Represent Antonio T. Tiongson Jr.,2013-07-01 The Hip hop Nation has been scouted staked out and settled by journalists and scholars alike Antonio T Tiongson Jr steps into this well mapped

territory with questions aimed at interrogating how nation is conceptualized within the context of hip hop What happens
Tiongson asks to notions of authenticity based on hip hop s apparent blackness when Filipino youth make hip hop their own
Tiongson draws on interviews with Bay Area based Filipino American DJs to explore the authenticating strategies they rely
on to carve out a niche within DJ culture He shows how Filipino American youth involvement in DJing reconfigures the
normal boundaries of Filipinoness predicated on nostalgia and cultural links with an idealized homeland Filipinos Represent
makes the case that while the engagement of Filipino youth with DJ culture speaks to the broadening racial scope of hip hop
and of what it means to be Filipino such involvement is also problematic in that it upholds deracialized accounts of hip hop
and renders difference benign Looking at the ways in which Filipino DJs legitimize their place in an expressive form
historically associated with African Americans Tiongson examines what these complex forms of identification reveal about
the contours and trajectory of contemporary U S racial formations and discourses in the post civil rights era **The**
