The first two volumes contain chapters on the important people, places and events of the town's history which started in the mid 1600s. This third volume has a number of collections of photographs of the town that were taken in various years from 1880 to 1960 as well as chapters on specific people, places and events. The fourth volume in the series is about the overall structure of the history of the town. It divides the 350 year history into four phases: Settlers, Main Street, Commerce, Bradley Field Area, Commerce and Residential Community. This volume, Volume III, has 26 chapters, 208 pages and approximately 300 old photos of Windsor Locks. *Looking Back Images of North Central Connecticut* Pediment Group, Incorporated, The, 2002-01-01 Reflections Off Still Waters Nell Torone, 2005 Two hundred years of Second Baptist Church history is revealed in a story like format based on significant events that occurred in the life of the Church in Suffield town history and across the nation to enable the reader to experience firsthand a tiny portion of the past. Whenever possible detail was given to weather, landscape and emotional atmosphere within each event based on historical photographs of the area, dated journals and numerous reference materials listed at the end of this book. Front matter Looking Back: Historic images from Rockville , 2002 Physicists Look Back J Roche, 1990-01-01 In *Physicists Look Back: Studies in the History of Physics* various international contributors ranging from physicists, engineers, theoreticians, experimentalists and information scientists to educationalists, science historians, sociologists and physics teachers discuss the history of physics. They describe their own research, developments, demonstrate ways the history of physics can be helpful in teaching physics and in clearing up difficult concepts and offer professional advice about resources and methods. This diversified book provides a historical background to modern physics and illustrates how an appreciation of the historical context of physics can lead to a better understanding of modern physics. It covers the history of ozone, the ionosphere, plasma physics, the technical developments of the electron microscope and crystallographic x-ray photography and the history of the Josephson effect. Well illustrated and containing some autobiographical research not previously published, this resource is valuable reading for professional physicists, physics teachers, educationalists, historians and philosophers of science and physicists. **Looking Back: Historic images from Enfield, Somers & Suffield** , 2002 **Looking Back: Historic images from East Windsor, South Windsor, Windsor and Windsor Locks** , 2002 **A Companion to the Historical Film** Robert A.
