Looking Backward From The Year 2000

Edward Bellamy

Looking Backward From The Year 2000:

Looking Backward Edward Bellamy, 1882-12-16 Edward Bellamy's prophetic novel about a young Boston man who is mysteriously transported from the 19th to the 21st century from a world of war and want to a world of peace and plenty. The year is 2000. The place Utopian America. The hero anyone who has ever longed for escape to a better life. Translated into more than twenty languages and the most widely read novel of its time. *Looking Backward* is more than a brilliant visionary's view of the future. It is a blueprint of the perfect society, a guidebook that stimulated some of the greatest thinkers of our age. Today in the very era it attempted to visualize, it is even more compelling than ever. With an Introduction by Walter James Miller and an Afterword by Eliot Fintushel. *Looking Backward, from 2000 to 1887* Edward Bellamy, 2015-03-09 Edward Bellamy was a popular American author known for his socialist thinking and his utopian book *Looking Backward* which starts in the future year of 2000 and goes backwards. ***Looking Backward, 2000 To 1887*** Edward Bellamy, 2015-12-24 Edward Bellamy was a popular American author known for his socialist thinking and his utopian book *Looking Backward* which starts in the future year of 2000 and goes backwards. *Looking Backward* Edward Bellamy, 2014-01-26 Historical Section Shawmut College Boston December 26, 2000. Living as we do in the closing year of the twentieth century, enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense, it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old. No historical fact is however better established than that till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time. How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval. The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated. What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages? The object of this volume is to assist persons who while desiring to gain a more definite idea of the social contrasts between the nineteenth and twentieth centuries are daunted by the formal aspect of the histories which treat the subject. Warned by a teacher's experience that learning is accounted a weariness to the flesh, the author has sought to alleviate the instructive quality of the book by casting it in the form of a romantic narrative which he would be glad to fancy not wholly devoid of interest on its own account. The reader to whom modern social institutions and their underlying principles are matters of course may at times find Dr. Leete's explanations of them rather trite, but it must be remembered that to Dr. Leete's guest they were not matters of course and that this book is written for the express purpose of inducing the reader to forget for the nonce that they are so to him. One word more. The almost universal theme of the writers and orators who have

celebrated this bimillennial epoch has been the future rather than the past not the advance that has been made but the progress that shall be made ever onward and upward till the race shall achieve its ineffable destiny This is well wholly well but it seems to me that nowhere can we find more solid ground for daring anticipations of human development during the next one thousand years than by Looking Backward upon the progress of the last one hundred That this volume may be so fortunate as to find readers whose interest in the subject shall incline them to overlook the deficiencies of the treatment is the hope in which the author steps aside and leaves Mr Julian West to speak for himself **Looking Backwards** Edward Bellamy,2018-09-05 The book tells the story of Julian West a young American who towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up one hundred and thirteen years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The remainder of the book outlines Bellamy s thoughts about improving the future The major themes include problems associated with capitalism a proposed socialist solution of a nationalisation of all industry the use of an industrial army to organize production and distribution as well as how to ensure free cultural production under such conditions The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods Everyone retires with full benefits at age 45 and may eat in any of the public kitchens The productive capacity of America is nationally owned and the goods of society are equally distributed to its citizens A considerable portion of the book is dialogue between Leete and West wherein West expresses his confusion about how the future society works and Leete explains **Looking Backward** Edward Bellamy,2000-09 Set in Boston on December 26 2000 but written before the turn of the nineteenth century this classic Utopian novel is more significant and relevant than ever with its reappearance this millennium Addressing moral and material concerns of late nineteenth century industrial America through romantic narrative Bellamy suggests a fictionalized society in which war poverty and malice do not exist

Looking Backward, from the Year 2000 Mack Reynolds,1973 *Looking Backward, 2000 to 1887* Edward Bellamy,2019-08-12 Edward Bellamy March 26 1850 May 22 1898 was an American author journalist and political activist most famous for his utopian novel Looking Backward Bellamy s vision of a harmonious future world inspired the formation of numerous Nationalist Clubs dedicated to the propagation of Bellamy s political ideas After working as a journalist and writing several unremarkable novels Bellamy published Looking Backward in 1888 Looking Backward was one of the most commercially successful books published in the United States in the 19th century and it especially appealed to a generation of intellectuals alienated from the dark side of Gilded Age In the early 1890s Bellamy established a newspaper known as The New Nation and began to promote united action between the various Nationalist Clubs and the emerging Populist Party He published Equality a sequel to Looking Backward in 1897 and died the following year **Looking Backward** Edward

Bellamy,2012-03-02 Stimulating thought provoking utopian fantasy about a young man who s put into a hypnotic trance in the late 19th century and awakens in the year 2000 to find crime war and want nonexistent *Looking Backward from To 2000-1887* Edward Bellamy,2018-05-11 The novel by a Christian socialist Edward Bellamy Looking Backward 2000 1887 is a utopia that was very popular in the nineteenth century Within the first year after the publication 200000 copies of the book were sold in the USA with other 100000 in Great Britain The book caused a massive outcry all over the world Political and public movements appeared in different countries and they set a goal to put into practice the public system described in the novel **Looking Backward (2000-1887) Or, Life in the Year 2000, A.D.** Edward Bellamy,1896 **Looking**

Backward from 2000 to 1887. Novel by Edward Bellamy,2016-11-19 Looking Backward 2000 1887 is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 It was the third largest bestseller of its time after Uncle Tom s Cabin and Ben Hur A Tale of the Christ 1 It influenced a large number of intellectuals and appears by title in many of the major Marxist writings of the day It is one of the few books ever published that created almost immediately on its appearance a political mass movement The decades of the 1870s and the 1880s were marked by economic and social turmoil including the Long Depression of 1873 1879 a series of recessions during the 1880s the rise of organized labor and strikes and the 1886 Haymarket affair and its controversial aftermath **Looking Backward 2000 - 1887** Edward Bellamy,2017-09-30 Looking Backward 2000 1887 By Edward Bellamy Looking Backward 2000 1887 is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 It was the third largest bestseller of its time after Uncle Tom s Cabin and Ben Hur A Tale of the Christ It influenced a large number of intellectuals and appears by title in many of the major Marxist writings of the day It is one of the few books ever published that created almost immediately on its appearance a political mass movement

LOOKING BACKWARD, 2000-1887, OR LIFE IN THE YEAR 2000, A. D EDWARD. BELLAMY,2018 **Looking Backward from 2000 to 1887 (Jovian Press)** Edward Bellamy,2017-07-02 First published in 1888 Looking Backward was one of the most popular novels of its day Translated into more than 20 languages its utopian fantasy influenced such thinkers as John Dewey Thorstein Veblen Eugene V Debs and Norman Thomas Writing from a 19th century perspective and poignantly critical of his own time Bellamy advanced a remarkable vision of the future including such daring predictions as the existence of radio television motion pictures credit cards and covered pedestrian malls On the surface the novel is the story of time traveler Julian West a young Bostonian who is put into a hypnotic sleep in the late 19th century and awakens in the year 2000 in a socialist utopia In conversations with the doctor who awakened him he discovers a brilliantly realized vision of an ideal future one that seemed unthinkable in his own century Crime war personal animosity and want are nonexistent Equality of the sexes is a fact of life In short a messianic state of brotherly love is in effect Entertaining stimulating and thought provoking Looking Backward with its ingenious plot and appealing socialism is a provocative study

of human society as it is and as it might be **Looking Backward** Edward Bellamy,2020-03-18 I first saw the light in the city of Boston in the year 1857 What you say eighteen fifty seven That is an odd slip He means nineteen fifty seven of course I beg pardon but there is no mistake It was about four in the afternoon of December the 26th one day after Christmas in the year 1857 not 1957 that I first breathed the east wind of Boston which I assure the reader was at that remote period marked by the same penetrating quality characterizing it in the present year of grace 2000 These statements seem so absurd on their face especially when I add that I am a young man apparently of about thirty years of age that no person can be blamed for refusing to read another word of what promises to be a mere imposition upon his credulity Nevertheless I earnestly assure the reader that no imposition is intended and will undertake if he shall follow me a few pages to entirely convince him of this If I may then provisionally assume with the pledge of justifying the assumption that I know better than the reader when I was born I will go on with my narrative As every schoolboy knows in the latter part of the nineteenth century the civilization of to day or anything like it did not exist although the elements which were to develop it were already in ferment Nothing had however occurred to modify the immemorial division of society into the four classes or nations as they may be more fitly called since the differences between them were far greater than those between any nations nowadays of the rich and the poor the educated and the ignorant I myself was rich and also educated and possessed therefore all the elements of happiness enjoyed by the most fortunate in that age Living in luxury and occupied only with the pursuit of the pleasures and refinements of life I derived the means of my support from the labor of others rendering no sort of service in return My parents and grand parents had lived in the same way and I expected that my descendants if I had any would enjoy a like easy existence *Looking Backward: 2000-1887 - Classic Book* Edward Bellamy,2017-07-22 Looking Backward 2000 1887 is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 It was the third largest bestseller of its time after Uncle Tom s Cabin and Ben Hur A Tale of the Christ It influenced a large number of intellectuals and appears by title in many of the major Marxist writings of the day It is one of the few books ever published that created almost immediately on its appearance a political mass movement Looking Backward Edward Bellamy,2017-10-22 LOOKING BACKWARD 2000 1887 is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 It was the third largest bestseller of its time It influenced a large number of intellectuals Erich Fromm writes It is one of the few books ever published that created almost immediately on its appearance a political mass movement Bellamy s novel tells the story of a hero figure named Julian West a young American who towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up one hundred and thirteen years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The remainder of the book outlines Bellamy s thoughts about improving the future The major themes include problems

associated with capitalism a proposed socialist solution of a nationalization of all industry the use of an industrial army to organize production and distribution as well as how to ensure free cultural production under such conditions In the United States alone over 162 Bellamy Clubs sprang up to discuss and propagate the book s ideas Owing to its commitment to the nationalization of private property and the desire to avoid use of the odious term Socialism this political movement came to be known as Nationalism not to be confused with the political concept of nationalism The novel also inspired several utopian communities

Looking Backward Edward Bellamy,2016-01-28 LOOKING BACKWARD 2000 1887 is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 It was the third largest bestseller of its time It influenced a large number of intellectuals Erich Fromm writes It is one of the few books ever published that created almost immediately on its appearance a political mass movement Bellamy s novel tells the story of a hero figure named Julian West a young American who towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up one hundred and thirteen years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The remainder of the book outlines Bellamy s thoughts about improving the future The major themes include problems associated with capitalism a proposed socialist solution of a nationalization of all industry the use of an industrial army to organize production and distribution as well as how to ensure free cultural production under such conditions In the United States alone over 162 Bellamy Clubs sprang up to discuss and propagate the book s ideas Owing to its commitment to the nationalization of private property and the desire to avoid use of the odious term Socialism this political movement came to be known as Nationalism not to be confused with the political concept of nationalism The novel also inspired several utopian communities

Looking Backward and Equality Edward Bellamy,2016-11-10 Edward Bellamy was an influential American author and socialist in the late 19th century Bellamy is most famous for the utopian novel Looking Backward which led to the formation of many Nationalist Clubs that were dedicated to the political ideas he portrayed Looking Backward published in 1888 is considered one of the only books in history that led to an immediate political mass movement The book tells the story of a young American man named Julian West who falls into a deep sleep and wakes up in the year 2000 Equality published in 1897 is the sequel novel to Looking Backward The book expands on the ideas Bellamy first discussed in Looking Backward

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Looking Backward From The Year 2000**

In a world inundated with monitors and the cacophony of immediate communication, the profound energy and emotional resonance of verbal beauty often disappear into obscurity, eclipsed by the constant onslaught of noise and distractions.
