Lorimer Loyalties:

Lorimer Loyalties Anne Melville, 1984 A House for All Peoples John M. Allswang, 2021-10-21 This book assesses the role of urban ethnic groups particularly in terms of the rise of the Democratic Party to national predominance between 1928 and 1932. It builds quantitative and qualitative models for the study of ethnic groups in terms of political behavior. Focusing clearly upon political change and the role of ethnicity, the work advances the hypothesis that Chicago's ethnic groups responded as ethnic groups rather than on socio-economic or other bases when they shifted their party allegiances in the late twenties. This ethnic realignment was a major factor in the redistribution of power between parties. Chicago Employing a variety of quantitative measures and a number of conceptual tools from the social sciences, Mr Allswang has utilized simple statistical procedures with clarity and discrimination. His statistical data is based on thorough research in unpublished census material and election returns. His qualitative data is based in part on a comprehensive examination of the foreign language press supplemented by materials from other newspapers, personal interviews and manuscript sources. The book studies nine ethnic groups over a generation of political development, affording insights into urban politics and history and into dominant minority and interethnic relations in politics and in the city. Crisp in style, thorough, methodologically innovative, *A House for All Peoples* will become a model for studies of United States political history. **The Hardie Inheritance** Anne

Melville, 2014-07-31 This third novel in the Hardie series sees Grace Hardie choosing to stay out of the marriage race. Instead, she devotes her time to her work as a sculptor living in Greystones, the mansion she has inherited but can no longer afford to maintain in the style it deserves. Her mother and brother are the only companions in her narrow existence. Then one summer day in 1932, four uninvited guests arrive from the outside world. Lord Rupert Beverley has discovered that the Hardies are linked to his family by marriage. Andy Frith, the gardener's son who was Grace's childhood sweetheart, returns from France to see his dying father. Ellis Faraday, the son of the architect who designed Greystones, calls for permission to photograph his father's first major work. And with him, he brings Trish, his charming young daughter. The arrival of the four together will change Grace's life. For unexpected happiness, wealth, and fulfilment follow. But so too do family squabbles and difficult decisions about who is to become the Greystones heir. *The Hardie Inheritance*, the last instalment in the Hardie series, was first published in 1990. **Debutante** Anne Melville, 2018-02-15 Four debutants find friendship as they seek love in a time of war in this WWII era historical romance by the author of the Lorimer Family novels. England 1939. Aristocratic families are preparing to present their daughters as debutantes, introducing them to society through a season of elegant parties. Bidding childhood farewell, the debutantes are thrust into a world of dancing, gossip, and young gentlemen, glamorous but fraught with rivalry. Yet when their lives converge, they begin to rely on each other in ways they could never have imagined. But as World War II quickly approaches, it soon becomes clear that this season will be unlike any before. The world is changing, and all four young ladies will soon find
