Helping Relationships With Older Adults Adelle M. Williams, 2016-06-29 Helping Relationships with Older Adults From Theory to Practice examines the fundamental theoretical perspectives of the aging process with an emphasis on the healthy aspects of aging Taking a comprehensive approach author

Adele Williams addresses various therapeutic methods as she highlights the strengths and resiliency of the older population Exercises and case studies demonstrate key concepts and promote skill development by allowing students to experience the various challenges in the lives of older clients

Close Relationship Loss Terri L. Orbuch, 2012-12-06 Social scientists from various disciplines have been increasingly concerned with the nature structure and function of close relationships Although most of the early work on the topic of close relationships drew attention to the development of close relationships since the mid 1970s researchers have begun to investigate the many different aspects connected to the loss of close relationships Despite the change to a more comprehensive conceptual framework close relationship research is often criticized for being atheoretical the research is criticized for being purely descriptive in nature and thus lacking a more theoretical framework Contrary to this belief I wish to argue that researchers in the area of close relationship loss employ several critical and prominent theoretical perspectives to describe explain and understand the endings of relationships thus the fruition of this book The major aim of this edited book is to present and illuminate within one volume some of these major theoretical perspectives The volume as a whole has several unique qualities First within each chapter the authors provide a general overview of the theoretical perspective or approach within which they examine close relationship loss

Attachment and New Beginnings Jonathan Pedder, 2018-05-08 This collection of written pieces plots the work of an NHS psychotherapist Jonathan Pedder turning the science of psychiatry into human encounters He had a career teaching and inspiring colleagues and students with psychoanalytic ways of thinking encouraging and supporting them in the challenges of contemporary psychiatry In his work he made the world of psychoanalysis accessible to non analysts and this book augments the textbook on psychotherapy which Pedder wrote with Dennis Brown Pedder was a quiet visionary influential in offering a pathway for mental health workers from many disciplines to find their way to the psychoanalytic ideas that illuminate their patients clients Professor R D Hinshelwood Author of *Clinical Klein* and *Dictionary of Kleinian Thought* Health, Illness, and Optimal Aging, Third Edition Carolyn Aldwin, Carolyn M.
