## **Lost Treasures On The Old Spanish Trail:**

**Lost Treasures on the Old Spanish Trail** George A. Thompson, 1987-02 The Old Spanish Trail was a pathway with but one purpose to lead followers to the legendary land of Cibola and its immeasurable treasures of silver and gold Lost Treasures of the Spanish Trail takes readers through the history of the trail and its surrounding lands from the arrival of Spanish conquistadors and the treasures of Montezuma through its expansion northward to the traces of the trail that can still be found today worn deeply into soft sandstone perhaps still leading to the hidden treasures that inspire legends *The San Rafael Swell* Emery County Archives, 2008 The San Rafael Swell is an anticline or a geological uplift that originally looked like an oval bowl turned upside down Over time it has been carved into castle like formations and deep canyons by erosive conditions This landscape seemed so formidable to early cartographers that it was the last area in the continental United States to be mapped The San Rafael Swell itself has no permanent human inhabitants but small towns are scattered along its northern and eastern borders where first American Indians and later cowboys ranchers and miners made their homes The hardy settlers of these towns familiarized themselves with what they called the Desert and gradually discovered its treasures and its secrets **Louis L'Amour's Lost Treasures: Volume 2** Louis L'Amour, Beau L'Amour, 2019-11-19 L'Amour is popular for all the right reasons His books embody heroic virtues that seem to matter now more than ever The Wall Street Journal More unpublished works from the archives of Louis L'Amour complete short stories partial novels treatments and notes that will transport readers from the Western frontier to India China and even the future Exploring the creative process of an American original the Louis L'Amour's Lost Treasures series will uncover the hidden history behind the author's best known novels and his most mysterious and ambitious unfinished works In this second volume Beau L'Amour examines how his father made the transition from struggling pulp writer to successful novelist and uses his father's notes journal entries and correspondence to continue the process of seeking out how and why many of these never before seen manuscripts were written as well as speculating about the ways they might have ended These selections include the beginnings of a post apocalyptic science fiction tale a proposal for a nonfiction project based on the life of Renaissance era traveler Ibn Batuta and two chapters of a historical novel set in India about the origin of L'Amour's well known Talon family At the other end of the spectrum are classic adventures such as In the Measure of Time a chance encounter set on the high seas and a science fiction film treatment set in Mexico as well as seventeen chapters of a novel that reappears throughout Louis's journals and letters and speaks to his fascination with post revolutionary 1950s China leading him so far as to correspond with the Dalai Lama With rare photographs and commentary this book further maps the journey L'Amour embarked upon to become one of our greatest storytellers and the diverse realms to which his imagination traveled making him a true American pioneer **Lost Oklahoma Treasure** W.
