## **Lost Between The Cracks Poems From The Neutral Zone:**

**Lost Between the Cracks**, 1996-03      **Books in Print**, 1994      **Subject Guide to Books in Print**, 1991      **The Poems of Lincoln Kirstein** Lincoln Kirstein, 1987      **The Cracks That Held** B.H. Newton, 2024-08-14 July 1976 Instead of celebrating a bicentennial the former United States is on the verge of reuniting 100 years after a protracted Civil War that neither side seemed able nor willing to win Along the heavily patrolled border between The Northern and The Southern citizens of both sides are lined up waiting for the wall to fall so they can move freely and seek a new life within one nation A nation now stripped of its shared identity technology and culture bereft of soul But can a fledgling government succeed in bringing it all back together or will the shadowy forces of dissention reclaim the cracks that held B H Newton s **THE CRACKS THAT HELD IN THE LAST STALL OF BENNY S BORDER PETROL** is a thought provoking mystical epic set in an alternate past      **Letters to a Québécois Friend** Philip Resnick, Daniel Latouche, 1990-01-01 Resnick a leading Canadian nationalist argues that English Canadian attitudes toward Quebec have changed fundamentally since the November 1988 election Quebec has become too selfish he says and English Canada feels betrayed by Quebec s refusal either to recognize or take seriously the desires of the rest of the country He suggests that Quebec reconsider the social values it once supported values which are in opposition to the market oriented Canada US Free Trade Agreement Resnick argues that this agreement will only weaken the Canadian state as would the Meech Lake Accord Canada s move toward the right politically and economically is for Resnick exacerbated by Quebec s stubborn self interest He argues that the consequences of moving to the right such as we have seen in the US and Great Britain should concern both English Canada and Quebec only by working together can Canada as a whole begin to formulate more humane and compelling alternatives for the coming decade Daniel Latouche makes it quite clear in his reply that the Qu b cois are tired of having to justify themselves their distinctiveness and their support of Free Trade While English Canadians may think they have been betrayed by Quebec he says it is only because they have not looked at the issues from a Qu b cois perspective When vying for its share of political power says Latouche Quebec is only playing by the rules it has learnt from English Canada And Free Trade he points out was an initiative originating in Ontario and the West Latouche asserts that Quebec s response to the Supreme Court ruling on Bill 101 was a legitimate use of the Canadian constitution and asks whether it is because it was Quebec that made use of this clause that it was condemned The Supreme Court ruling Latouche argues protected commercial interests thus accelerating the judicial integration of Canada within the American legal culture All Quebec did was make use of an escape clause to protect itself Resnick suggests that since the Quiet Revolution there has been an increased responsiveness on the part of English Canadians to Quebec and its demands But Latouche has no time for this argument Do you mean that every time we manage to have a share of what all Canadians are entitled to these are mere bones you are throwing to us My friend we are not dogs eating at the table because of your generosity We are citizens and tax payers Letters to a Qu b cois Friend will not put an end

Postcolonial Overtures Julia C. Obert, 2015-10-29 Postcolonial Overtures explores the importance of sound in contemporary Northern Irish writing focusing on the work of three canonical poets Ciaran Carson Derek Mahon and Paul Muldoon Obert argues that these poets respond to what Edward Said calls geographical violence to the stratification of the North's visual spaces to the sectarian symbols splashed across Belfast and beyond by turning from the eye to the ear tentatively remapping place in acoustic space Carson for instance casts Troubles era Belfast as a demolition city its landmarks swallowed in the maw of time and trouble and tries to compensate for this inhospitality by reimagining landscape as soundscape an immersive auditory field This strategy suggests sound's political and affective potential music accent and even comfortingly familiar white noise can help subjects otherwise unmoored feel at home Drawing on a diverse range of fields Obert devotes two chapters to the examination of each poet's work allowing room for both in depth formalist readings and contextual and theoretical understandings of the poems and their reverberating effects
