Oris Oris, The crew commander of the Sirius A starship Albellic continues to share with humanity on Earth through Oris the knowledge about the last times of the physical incarnation of the Planetary Entity and its preparation for the spiritual Transfiguration By answering Oris s questions Albellic describes in detail WHAT a human being really is what are his true capabilities and what are his immediate prospects on this planet **Book 12. «The Transmutation Diary. Part 2»** Oris Oris, 1999-01-01 Tells about the events that took place from 20 07 1999 to 31 07 1999 «Muladhara Chakra» Oris Oris, 2000-01-01 Functionally the Argllaamuni center Muladhara is closely connected with the psychological abilities of the physical body which provide survival of the physical body and protection of a person from unfavorable external influences A big role in the activation of the whole immune system belongs to this lower center Its normal functioning gives a sense of physical health well being self confidence and stability Imbalance and all kinds of muladhara breakdowns in the Aura lead to the constant outflow of these energies and can cause a feel of insecurity deep depression lack of willpower a sharp decline and energy loss increased soreness in the lower and middle parts of the body despondency and melancholy This is particularly typical for those who have not yet opened the karmic channels of the heart center or if karmic channels of the heart center are very weakly activated which in order to switch the person to completely higher spiritual levels of feeling and thinking In such cases a person loses the purpose of his Life as if he loses his roots and purely intuitively following the consciousnesses of the organs and body systems completely surrenders himself to the satisfaction of his own lower desires in order to replenish the energies of the Argllaamuni center Book 11. «Messages from Heaven» Oris Oris,1999-01-01 This book by Oris introduces the reader to another set of Messages from the Representatives of the Supreme Cosmic Mind on Earth Lord Christ Maitreya and the Commander of the crew of the Sirius A starship Albellic This is the most recent material of Oris's Contacts received by him on the eve of his departure along with six other Star Born for a 44 day Meditation and purification of body the energy conductors with the water on the Ai Petri Plateau «Svadhisthana chakra» Oris Oris, 2000-01-01 The weaknesses of our sex education have led to the fact that most people even if they feel a deep sensual attraction instead of beginning a heartfelt spiritual exploration of each other in the process of intimate interaction and accumulation of sexual energy instead close their heart centers and turn the unique opportunity of highly sensual admiration into a trivial sexual act Unfortunately the creators of the lower astral and dense material types of Reality benefit greatly from the fact that the prevailing majority of people completely incorrectly and perversely understand the very essence of SEXUAL INTERACTION Sexual interaction in fact is a spiritual intimate process which if properly understood contributes to a stronger contact between a person and his inner Essence and contributes to a more highly sensual and deeply soulful manifestation of the person Love is the real Symbol of the Age of Transfiguration that is coming on Earth And the mysterious sacred key to the Gate of Spiritual Transformation is not somewhere in the cosmic infinity and unfathomable unknown beyond our psychic capabilities but in fact is located quite nearby or rather in our own heart center AIGLILLIA which is filled

with the highest vibrations of Love literally towards every manifested aspect of the Life around us including the strongest of all the sexual one Book 4. «The Teachers of the humanity report» Oris Oris,1998-01-01 Throughout all the history the humanity has been narrowing its perception of the Worlds from multidimensional which includes all the subtle material Spheres of the Astral to three dimensional rough material Level thus not only limiting itself in the better understading of the world around but also completely destroying the possibility of free contact with the Consciousnesses of hundreds of thousands of other space civilizations who actively create and work in the Cosmos Representatives of many of these Intelligent Civilizations have practically never left our planet while other Higher Entities have been incarnated among people only for several millennia They have voluntarily shared and continue to share with us all the burdens of earthly incarnations and the very heavy human Karma only to help with their Knowledge of the Truth and their personal experience so that the people of Earth could more rapidly climb the steep steps of the Evolution Stairs Book 6. «On the eve of Armageddon» Oris Oris, 1998-01-01 This book in its uniqueness and value of the information it contains is on par with the other Oris s books continuing the subject of Contacts with Representatives of Worlds of Higher Levels of Existense Does The Christ Himself communicate with many people on the eve of the so called Last Judgment transmitting specific recommendations Has the Mother of God appeared to many to show them the way to salvation through Her Word in these terrible days of the approaching disasters and cataclysms You just stop for a minute and delve into the rank of Those Who appeal to you the Christ and the Queen of Heaven To ignore this information would be to close one s eyes on the edge of the precipice at the risk of being crushed to death Is that what you want Then read carefully absorb and opening the eyes of your Heart draw your own conclusions **Book 12. «The Transmutation Diary. Part 4»** Oris Oris,1999-01-01 Tells about the events that took place from 14 08 1999 to 19 08 1999
