accounts in *Miracles Still Happen* give exciting evidence of how God intervenes in the lives of ordinary people. From the very beginning we see God's blessings of wisdom, discernment and guidance to those who have faith and trust in the Lord. Many persons, even those who love God, are not aware that God does intervene in our lives in both powerful and subtle ways. We read biblical accounts of the healing miracles of Jesus, the guidance of the Holy Spirit and the Lord's presence to us, but do we believe these things can happen in our lives? Several of the accounts in this book also lend themselves to teaching moments on salvation, prayer, forgiveness, the Holy Spirit and faith. This book is written to give hope and encouragement to those who read it that the Lord does indeed relate personally to us and does intervene in our lives. God loves and cares about each of us. Just as evidenced in the Gospels and in the book of Acts in the New Testament, *Miracles Still Happen* gives contemporary evidence that God in Christ is the same yesterday, today and forever. Hebrews 13:8. Reverend Gloria J. Parker Penn is married to author Dr. John I. Penn and is a mother, grandmother and an educator. She has been serving as a minister for over twelve years and as an ordained clergy for four years. Reverend Penn and her husband have served together teaching Sunday school, leading Bible studies and facilitating workshops. Although Reverend Penn is soft-spoken, she is an inspiring public speaker, a powerful preacher and a gifted teacher. This is Reverend Penn's first book, but in all likelihood it will not be her last.
