Ocean City:

Ocean City Fud Miller, Fred Miller, 2003 Nestled along the New Jersey coastline and built to be one of the original seaside tourist destinations Ocean City still sets the standard for resort living along the mid Atlantic What was once a whale processing center in the 1700s emerged as a destination for sun and fun by drawing the biggest names and the classic American families of the early twentieth century As our country's search for the ideal vacation grew this 7 mile stretch of beach cultivated a rich history and a reputation as one of the most alluring communities on the East Coast *Ocean City* Nan DeVincent-Hayes, John E. Jacob, 1999 Originally the land of the Algonquian people the barrier island on which Ocean City is now located served as a protective wall for the mainland Delmarva peninsula It was a somewhat remote area until five men having formed the Atlantic Hotel Company Corporation built the first lodging facility and Ocean City as a coastal resort began to take root From the cattle grazing in the mid 1800s to the few blocks of buildings constructed at the turn of the century from the infamous storm of 1933 to the overwhelming growth of the 1940s Ocean City has had a rich and vibrant history This volume offers a historical perspective of Ocean City from its inception to 1946 a period when growth was steady but slow Now boasting over eight million visitors annually the area is Maryland's golden haired child and its second largest city during peak summer weekends when an average of 300 000 tourists arrive **Ocean City Oddities** Kristin Helf, Brandon Seidl, 2020-06-15 For generations Ocean City has afforded both locals and tourists unforgettable sights and sounds The boardwalk holds iconic landmarks like Trimper's Rides and the Sand Sculptures and no visitor will ever forget Boardwalk Elvis Farther north are Motel Row Jolly Roger's Muffler Man Pirate and Old Pro miniature golf courses Nostalgic recollections from decades past include the boisterous chuckles of Laffing Sal and Captain Bob's Bull Local authors Kristin Helf and Brandon Seidl celebrate gone but not forgotten spots while also exploring the exciting landmarks that are still enjoyed today **City on the Sand** Mary Corddry, 1991 In a little more than a hundred years a wild and desolate barrier island in Maryland became a teeming resort city The story began in 1875 when a group of Eastern Shore Baltimore and Philadelphia businessmen held a grand opening of a five story frame building called the Atlantic Hotel and offered surrounding lots for sale at 25 each Skeptics observing the scene predicted disaster with the first bad storm What follows is a narrative of shifting sands and shifting fortunes as the city weathered natural and economic setbacks and advances to become every summer Maryland's second largest city The narrative draws extensively on the memoirs of early resort residents and most of all on conversations with people who have given the town its distinctive character This is an appealing portrait of an outstanding resort that has been a magnet to vacationers for more than a century **Ocean City Beach Patrol** Fred Miller, 2004-08-06 Ocean City Beach Patrol is the story of the elite group of men and women who serve as guards along the sandy beaches and gently rolling surf of Ocean City an eight mile long barrier island off the coast of southern New Jersey Although the coastline slopes gradually into the sea and the water is generally calm deadly rip currents and strong

undertows can occur at any time Thus the lifeguards often risk their lives to protect the thousands of bathers enjoying these waters each summer *Ocean City, N.J.* Susan Miller, Susan K. Miller, 2007 Explore the first seventy five years of Ocean City New Jersey s grand history through this postcard pictorial History comes alive with over 250 beautiful black and white and hand tinted photos of the beaches the strand and many places of play and worship in this much loved city Bounded on the east by the Atlantic Ocean and the west by the inland waters of Great Egg Harbor Bay Ocean City s location only sixty five miles from Philadelphia has made it a popular summer playground ever since its founding as a Christian seaside resort in 1879 The city has come to be a vibrant community of full time residents as well as loyal summer vacationers This book illustrates the city s many entertainments including the serenity and natural beauty that first drew its founders

Maryland's Ocean City Beach Patrol Robert M. Craig, 2019 The Ocean City Beach Patrol has been saving lives along Maryland s Atlantic coast since 1930 The job remains that of an athlete with a buoy and the reality of the responsibility dispels any stereotype of a cushy summer job filled by a teenager merely sitting in the sun all day Aided by semaphore flags and a crate of sunscreen the beach patrol s lifeguards have reunited countless lost children with parents they are charged to enforce the town s beach ordinances and sometimes at personal risk they navigate rip currents and heavy surf to rescue distressed swimmers and bring them ashore to safety This brief history examines the innovations training competitions organizational structure and character building that are all part of the serious life saving work of Maryland s Ocean City Beach Patrol young men and women whose inestimable contributions over the years have given rise to the patrol s international reputation in lifesaving circles Ocean City Gianni DeVincent Hayes, Nan DeVincent-Hayes, John E. Jacob, 1999 Ocean City Maryland s own seaside resort has become so popular that it is almost too small five square miles to hold all its tourists The last few decades have brought tremendous growth to the area in the form of both population and development Bridges and tunnels have been built high rise hotels and condominiums have grown up and amusements of all kinds have become available to the summertime crowds In this second volume of Ocean City images of beach life from the late 1940s to the present day capture the spirit of this popular vacation spot From funnel cakes to Ferris wheels and deep sea fishing to seasonal festivals Ocean City now a year round retreat has offered millions of visitors an endless variety of entertainment Having survived destruction caused by storms problems associated with the real estate boom and the overwhelming surge of visitors who each summer crowd the boardwalk and Coastal Highway this small town has matured over the last few decades into the jewel of Maryland s shore *Ocean City* Michael Morgan, 2011-08-04 Going Down the Ocean A Brief History of Ocean City Maryland will chronicle the long and colorful history of Maryland s premier ocean resort Beginning with the visit of the explorer Giovanni da Verrazano this book will examine the arrival of Assateague s famous ponies visits by Blackbeard and other pirates the birth of Steven Decatur and brave soldiers who fought in the Civil War After Ocean City was founded in the late 19th century the resort became a mecca for vacationers who enjoyed the surf and sand

along side the pound fishermen who worked their nets a short distance off shore During the 20th century Ocean City witnessed the arrival of the automobile bootleggers and German submarines Following the Second World War Bobby Baker confidant to Lyndon Johnson built a motel on the barren dunes to the north and helped ignite the condominium boom that saw Ocean City grow all the way to the Delaware line Legendary Locals of Ocean City Fred Miller,Susan Miller,2012 Ocean City has been called America s Greatest Family Resort since the slogan was adopted by the chamber of commerce in 1920 But it has always been a gathering place for families beginning in 1879 when the Lake family came here to build a Christian Seaside Resort Since those early years Ocean City has evolved into a community of diverse people with the value of family still holding strong While famous people such as actress Grace Kelly and author Gay Talese called Ocean City home most of the people in this book are ordinary citizens Many of these families are third and fourth generation Some trace their roots back to the Lakes others have grandparents or great grandparents who came here as immigrants Still others have moved here more recently all contribute to making Ocean City a wonderful place to live and work **Technical**
