Rational Meaning A New Foundation For The Definition Of Words And Supplementary Essays:

Rational Meaning Laura (Riding) Jackson, Schuyler B. Jackson, 1997 Existing only in manuscript since the 1940s but enjoying an underground reputation among friends and advocates this primary document by one of the most original and influential of American poets and thinkers is now being published as *Rational Meaning* Laura Riding Jackson's testament of the necessity of living for truth Begun as a dictionary and thesaurus in the 1930s the work developed into a fundamental reevaluation of language itself Riding in close collaboration with her husband continued this monumental project over the succeeding decades completing it after his death in 1968 At the core of *Rational Meaning* which aims to restore the truth of language by arguing that meaning inheres in words stands the idea that a total renovation of the knowledge of language is needed not to develop mere verbal sophistication and respectability but fundamentally to reinvigorate the intellectual processes of consciousness The book reveals the disastrous extent to which language has been unlearned and shows how it may be learned again *Rational Meaning* will be essential reading not only for students of literature but for radical minded linguists and lexicographers unhappy with the orthodoxies current in their disciplines

Ezra Pound and 20th-Century Theories of Language James Dowthwaite, 2019-05-23 Ezra Pound is one of the most significant poets of the twentieth century a writer whose poetry is particularly notable for the intensity of its linguistic qualities Indeed from the principles of Imagism to the polyphony of his *Cantos* Pound is central to our conception of modernism's relationship with language This volume explores the development of Pound's understanding of language in the context of twentieth century linguistics and the philosophy of language It draws on largely unpublished archival material in order to provide a broadly chronological account of the development of Pound's views and their relation to both his own poetry and to modernist writing as a whole Beginning with Pound's contentious relationship with philology and his antagonism towards academia the book traces continuities and shifts across Pound's career culminating in a discussion of the centrality of language to the conception of his *Cantos* While it contains discussions around significant figures in twentieth century linguistic thought such as Ferdinand de Saussure and Ludwig Wittgenstein the book attempts to recover the work of theorists such as Leonard Bloomfield Lucien Lyvy Bruhl and C K Ogden figures who were once central to modernism but who have largely been pushed to the periphery of modernist studies The picture of Pound that emerges is a figure whose understanding of language is not only bound up with modernist approaches to anthropology politics and philosophy but which calls for a new understanding of modernism's relationship to each

A History of Twentieth-Century British Women's Poetry Jane Dowson, Alice Entwistle, 2005-05-19 Publisher Description

Modernist Literature Rachel Potter, 2012-04-02 Introduces students to a wide range of modernist writers and critical debates in modernism studies

[Language and the Renewal of Society in Walt Whitman, Laura \(Riding\) Jackson, and Charles Olson](#) C. Billitteri, 2009-04-13 This book takes up the utopian desire for a perfect language of words that give direct expression to the real known in Western thought as Cratylishm and its impact on

the social visions and poetic projects of three of the most intellectually ambitious of American writers Walt Whitman Laura Riding Jackson and Charles Olson

Women, Modernism and British Poetry, 1910-1939 Jane Dowson, 2017-03-02 Primarily a literary history *Women Modernism and British Poetry 1910 1939* provides a timely discussion of individual women poets who have become or are becoming well known as their works are reprinted but about whom little has yet been written This volume recognizes the contributions overlooked previously of such British poets as Anna Wickham Nancy Cunard Edith Sitwell Mina Loy Charlotte Mew May Sinclair Vita Sackville West and Sylvia Townsend Warner and the impact of such American poets as H D Amy Lowell Edna St Vincent Millay Marianne Moore and Laura Riding on literary practice in Britain This book primarily maps the poetry scene in Britain but identifies the significance of the network of writers between London New York and Paris It assesses women's participation in the diversity of modernist developments which include avant garde experiments quiet but subtly challenging formalism and assertive new woman voices It not only chronicles women's poetry but also their publications and involvement in running presses bookshops and writing criticism Although historically situated it is written from the perspective of contemporary debates concerning the interface of gender and modernism The author argues that a cohering aesthetic of the poetry is a denial of femininity through various evasions of gendered identity such as masking male and female impersonations and the rupturing of realist modes

Seven Controlled Vocabularies and Obituary 2004. The Joy of Cooking Tan Lin, 2012-02-08 Winner of the Association for Asian American Studies Book Award in Poetry 2012 How do we read a book as an object in a network in a post book post reading meta data environment *Seven Controlled Vocabularies* models a generic book a kind of field guide to the arts wherein distinctions between various aesthetic disciplines are relaxed or dissolved and where avant garde notions of difficulty are replaced with more relaxing and ambient formats such as yoga disco and meditation Each of the book's seven sections is devoted to a particular art form film photography painting the novel architecture music and theory and includes both text and found photographs as it explores the idea of what it means to be a book in an era when reading is disappearing into a diverse array of cultural products media formats and aesthetic practices *Seven Controlled Vocabularies* will be available in a variety of print and electronic book delivery systems and formats Hardcover is unjacketed

The Constructivist Moment Barrett Watten, 2012-01-01 Winner of the American Comparative Literature Association's Rene Wellek Prize 2004 As one of the founding poets and editors of the Language School of poetry and one of its central theorists Barrett Watten has consistently challenged the boundaries of literature and art In *The Constructivist Moment* he offers a series of theoretically informed and textually sensitive readings that advance a revisionist account of the avant garde through the methodologies of cultural studies His major topics include American modernist and postmodern poetics Soviet constructivist and post Soviet literature and art Fordism and Detroit techno each proposed as exemplary of the social construction of aesthetic and cultural forms His book is a full scale attempt to place the linguistic turn of critical theory and the self reflexive foregrounding of language by the avant garde since the
