**The first family of Tasajara and other tales** Bret Harte,1896      **A first family of Tasajara, Three partners, and other tales** Bret Harte,1921      **Black Culture and Black Consciousness** Lawrence W. Levine,2007-04-27 When this book first appeared in 1977 it marked a revolution in the understanding of African American history Contrary to prevailing ideas at the time which held that African culture disappeared quickly under slavery and that black Americans had little group pride history or cohesiveness the author uncovered a rich and complex African American oral tradition including songs proverbs jokes folktales and long narrative poems called toasts work that dated from before and after emancipation The fact that these ideas and sources seem so commonplace now is in large part due this book and the scholarship that followed in its wake A landmark work that was part of the cultural turn in American history this book profoundly influenced an entire generation of historians      [A First Family of Tasajara And Other Tales](#) Bret Harte,1896      *Catalogue of the lending library* St. Helens publ. libr,1896      **The Nightmare, and Other Tales of Dark Fantasy** Francis Stevens,Gary Hoppenstand,2004-01-01 Slithering from these pages are never before collected tales of suspense and wonder by the woman who invented modern day dark fantasy A man goes quietly to bed aboard the doomed Lusitania and awakens on a magical South Pacific Island just as the passenger liner is torpedoed In a future where women rule the world a sentient island becomes murderously jealous of a shipwrecked couple Dire consequences await a human swept into the dark magical world of elves A deadly labyrinth coils around the dark heart of a picturesque landscape garden Within an Egyptian sarcophagus lies the horrifying price of infidelity Swirling unseen around us are loathsome creatures giving form to our basest desires and fears A beautiful veiled medium may hold the key to preventing unspeakable evil from slipping through the borderlands between life and death On a lost island a woman pipe player and her monstrous dancing partner bring death and terror to five adventurers The stories in this collection have played an integral role in the development of modern dark fantasy greatly influencing such writers as H P Lovecraft and A Merritt      [Tales from Rattlesnake Gulch](#) D. W. Smith,2022-08-01 Tales from Rattlesnake Gulch give a collection of tales told solely for the entertainment of the reader They are told by an old man with a twinkle in his eye He never tells the truth when a lie sounds better With truth at times he takes the reader from laughter to tears in a sentence The tales range from the devil made the kid do it to the strange the believable the unbelievable and the out of this world There are treasure hunts wild goose chases flying saucers and tales hard to define all for your reading enjoyment      *Rattlesnake, and Other Tales* Robert Dodds,2001 With stories set in America Mexico Britain and the Balkans these Gothic inspired literary tales mark the debut of a new author      [Rattlesnakes](#) Laurence Monroe Klauber,1972      [The Silver Madonna and Other Tales of America's Greatest Lost Treasures](#) W.C. Jameson,2013-07-12 The twenty four tales in this book are of the most famous lost treasures in America from a two foot statue reportedly made entirely of silver the Madonna and a cache of gold silver and jewelry that was rumored to also contain the first Bible in America to seventeen tons of gold its

value equal to the treasury of a mid sized nation buried somewhere in northwestern New Mexico What makes these tales even more compelling is that none of these known to be lost treasures have been discovered although modern detecting technology has made them eminently discoverable **The Gulch miners, and other tales** Gulch miners,1869

Hankins,2019-09-23 Arizona Rattlesnake Tales takes the reader back in time to experience the unimaginable hardships cowboys and pioneers faced while living amongst the dreaded rattler in a time when antivenom was nonexistent and a rattlesnake bite was often a death sentence The book includes vintage clippings unedited reports from 1866 1923 newspapers that paint a clear picture of the extreme adversity and tragedy early settlers dealt with The tales are scary exciting humorous and oftentimes sad and they all help to illuminate this fascinating time and place in U S history If you re a true Arizona history buff there s no other book like Arizona Rattlesnake Tales **Rattlesnakes, Airplanes and Gold** Douglas Lowell Jack,2021-06-09 This book begins with the story of how one American family found their own way into being part of the national pre occupation with Soviet aggression during the 1950s They acquired their own bomb shelter in the form of a 1500 foot long underground tunnel This tunnel was bored into a mountainside in central Nevada USA for the purpose of mining radio active Uranium ore The general idea was that everyone went underground before a nuclear attack

After some time went by they would then all emerge out into the bright sunshine start everything back up again put the coffee on and life would be good minus the evil Soviet Union There were so many deadly rattlesnakes in the area they even considered sending a few of them in to the authorities along with the Uranium orders just to liven things up a bit Maybe just the threat of dropping a whole bomb load of angry rattlesnakes on the Russians would have been enough Who knows Before this Nevada adventure they had been gold mining in the snow filled rugged mountains of Idaho State This saga also included at one point having to be rescued by the US Airforce Even before all of that occurred the head of the family had spent 10 years in Alaska as a mining man and a bush pilot The whole chapter of his Alaskan arctic adventures reads almost like something out of an Errol Flynn movie The family then moved to the isolated and remote interior of British Columbia Canada where a whole new endeavour in placer gold mining and pioneer living was begun Airplanes and bush pilots became a big part of those stories as well This book was written by the oldest son of the family and contains first hand exciting informative and entertaining glimpses into a way of life in North America that is rapidly disappearing Hopefully for the older readers these stories will surely bring back vibrant memories of their own past adventures and for the younger readers this book will be a call to action to find and live their own dreams Through it all this family definitely had their share of Rattlesnakes Airplanes and Gold

**The Serpent's Tale** Gregory McNamee,2000 We travel the world writes Gregory McNamee and wherever we go there are snake stories to entertain us Here are some fifty diverse and unusual accounts of serpents from cultures across time and around the globe snakes that talk jump and dance snakes that transform into other creatures snakes that just watch Many selections are drawn from the rich oral traditions of peoples in every clime that supports reptiles from the Akimel O odham of North America to the Mensa Bet Abrahe of Africa to the Mungkjan of Australia Included as well are such writings as prayers from the Egyptian Book of the Dead fairy tales collected by the Brothers Grimm a poem by Emily Dickinson and a journal entry by Charles Darwin What we read about snakes in The Serpent s Tale is just as fascinating for what it says about us for there always will be something primordial about our connection to them That bond is evident in these stories in how we associate snakes with nature s elemental forces how we attribute special qualities to their eyes and skin and how they preside over all phases of our existence from creation to death to resurrection

**The Best of Two Lives** Doris R. Ayyoub,2016-09-12 The Best of Two Lives is a love story as well as family history It is shaped as a journey beginning with the cultural foundations of Jordan and the United States Weaving threads of family stories Doris introduces us to compelling characters and describes ways of life that might be forgotten if not for projects such as this Ibrahim s early years are detailed as he lived in a mixed Muslim Christian community in Jordan and Doris tells of growing up as a small town

conservative Christian in Oregon One of the fundamental messages is that despite superficial differences at the root Arab lives and concerns in the Middle East are relatable just as those of Americans in the United States Doris never shrinks from showing negative attributes that she couldn't be blamed for wanting to hide and that differentiates her book from a purely family history There's something here to help us see our own families more clearly and honestly and to understand them with compassion
