The Widow John Angell James,1852 **Diamonds in the Rough** Cindy Lasiter,2009 God used the lives of His Old Testament servants to advance history toward His planned revelation of His Son our Lord and Savior Jesus Christ As He did He also provided a written record for us to study and use as warnings exhortations and boundaries for our own lives Although our circumstances have changed since ancient biblical times the people represented in them still look much the same as you and I This study provides women with a unique approach to learning and applying God s principles for daily living by examining some of the key lessons that are to be seen from the lives of many Old Testament characters As we see their attributes and flaws and study how God interacted with them we can appreciate how His own standards of holiness are never compromised although His guidance is tempered with great love and mercy Join Cindy Lasiter in this seventeen week study which can be used for personal study or dynamic group discussion You too will gain great hope and direction as you see how even God s most incredible servants in the Bible were at best diamonds in the rough Author s Cover Bio Cindy Lasiter has taught God s Word to children youth and women for many years She was a class administrator and women s discussion leader for Bible Study Fellowship International as well as the director of women s ministry for her church She currently teaches a Bible study for women at RockPointe Church in Flower Mound Texas Her greatest desire is to teach women how to apply God s Word to their lives in order to know Him better and live out His plan and purpose on earth
