Ravished Bride:

Keats Dorothy Bendon Van Ghent, 2014-07-14 Focusing in a new and thoroughgoing way on Keats's widely discussed interest in Greek myth Professor Van Ghent finds the underlying coherence in both his poetry and his letters to be archetypes of the hero and his double pervasive myths of creation and generation reflected in his poetics of desire Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Signifying Eye Candace Waid, 2013-07-01

A bold book built of close readings striking in its range and depth The Signifying Eye shows Faulkner's art take shape in sweeping arcs of social labor and aesthetic history Beginning with long unpublished works his childhood sketches and his hand drawn and hand illustrated play The Marionettes and early novels Mosquitoes and Sartoris working through many major works The Sound and the Fury As I Lay Dying Sanctuary Light in August and Absalom Absalom and including more popular fictions The Wild Palms and The Unvanquished and late novels notably Intruder in the Dust and The Town The Signifying Eye reveals Faulkner's visual obsessions with artistic creation as his work is read next to Wharton Cather Toomer and in a tour de force intervention Willem de Kooning After coloring in southern literature as a reverse slave narrative Waid's Eye locates Faulkner's fiction as the feminist hinge in a crucial parable of art that seeks abstraction through the burial of the race defined mother Race is seen through gender and sexuality while social fall is exposed in Waid's phrase as a coloring of class Locating visual language that constitutes a pictorial vocabulary The Signifying Eye delights in literacy as the oral meets the written and the abstract opens as a site to see narrative Steeped in history this book locates a heightened reality that goes beyond representation to bring Faulkner's novels stories and drawings into visible form through Whistler Beardsley Gorky and de Kooning Visionary and revisionist Waid has painted the proverbial big picture changing the fundamental way that both the making of modernism and the avant garde will be seen A Friends Fund publication
