## Reaching Out With Love:

**Necessary Risks** Teri McDowell Ott, 2022 In *Necessary Risks* Teri McDowell Ott explores her wrestling as a privileged white Christian woman with ten risks and the underlying systems and structures that need to be changed. Such risks she argues transform individuals and communities creating a path toward a more equitable and just world. *WomanPrayer WomanSong* Miriam Therese Winter, 2008-07-01 *WomanPrayer WomanSong* is a groundbreaking contribution to the church of our day. While drawing on scripture and affirming God's self-revelation in Jesus Christ, this exciting book addresses the urgent need for ritual which incorporates women's experience. Feminine biblical images of God are recovered, feminine pronouns for God are supplied, valiant women are remembered, the church year is reinterpreted to highlight women's experience and oppression, and violence against women in scripture and society are exposed. I have been searching for alternatives to hierarchical, coercive, male images of God which are at the same time faithful to the Christian revelation. I have found a rich resource here. Ruth Duck, Pastor, Professor of Worship, Garrett Evangelical Theological Seminary. With Miriam Therese Winter's *WomanPrayer WomanSong*, the feminist movement in the Christian community goes beyond the critique of patriarchal bias in religion and begins a new phase. Through a new religious encounter with the Mother Spirit of God, a new religious culture begins to develop that also renews the liberating grace and power of biblical faith. For the first time, the church prays and sings the ancient story of creation and redemption through women's creative imagination. Rosemary Ruether, author of *Women Church*. By drawing on tradition to challenge tradition, this book models how a feminist hermeneutic can revitalize tradition. The preface, liturgies, and songs reveal a sophisticated theological mind blessed with the gift of poetic expression. Thomas Troeger, Professor of Preaching and Parish Ministry and Vice President and Dean of Academic Affairs, Iliff School of Theology. **Love's Possibilities II** Janis Wilson, 2006-02 In this final of two volumes, the author continues to show the ups and downs of love through her own experience. Emotions are displayed through a collection of poignant poems that exemplify love from the heights of happiness to the depths of depression and anger. In the Spirit of Love Ames, 2009 Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames' life. Reading and reflecting on the words, people will be deeply moved by the love, the tenderness, and the kindness in which God reaches out to all of us. His words explain, sometimes in mystical and deeply spiritual ways, but always with simplicity, the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church. It is amazing that the almighty God would love mankind so much that He sent His only Son, Jesus, to suffer and die for us. This book helps bring a better understanding of the immeasurable love that God has for each one of us and in places brings those who will be open to it to a close relationship with Jesus on the cross of love. My Love for Jesus Christ Carol Miller, 2006-06 **Prayer and Prayer Activities** Gill Ambrose, 2013-04-26 *ROOTS* is a joint initiative by all the mainstream churches in the UK and Ireland. [Life's Ever Changing Emotions](#) Ronald Black,2013-02-26

Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there

will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the end of the day if we listen closely we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through lifes ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim     *Seniors in Love* Robert Wolley,2005 Is love only for the young *Seniors in Love* deals with the emotional financial physical and other relevant issues facing seniors when considering a new intimate relationship Topics covered include What is love Should one fall in love again at an advanced age What will the children say What rewards are possible What happens when love fails How does one express and receive love     **Drowning In God's Love** K.L. Bauman,2022-12-15 The call of God is not just for a select few but for everyone Whether I hear God s call or not depends on the condition of my ears and exactly what I hear depends on my spiritual attitude Oswald Chambers We are all children of God How easy it is to forget this God loves us all in the same way and in the same amount It is a given like the breath we draw each day by each beat of our heart by all that makes each of us holy Faith and love are important pieces of our lives They may be all that keep us moving on in our journeys Just as we begin life s journey beginning and continuing the journey is important in our spiritual lives If we are looking for God God is also looking for us We have heard the saying Seek and you shall find This saying can never be truer than when we speak about searching for God and more importantly finding God The author had a transforming experience in the year 2000 God truly found him This book *Drowning in God s Love* is a record that chronicles the outcome of this experience It provides

the reader with a path to find this deeper relationship that we all seek Hopefully it will help the reader to find a way to a deeper relationship with God through the poetry and spiritual writing found here

*The Glory of God's Light: Connect with God Through His Light, Love, and Word* Brother Raymond, 2020-05-19 Darkness represents anything that is inconsistent with God's nature character and manifestation. It appears humanity has lost its connection with God but finding a relationship with God can bring us into the light of His love. In *The Glory of God's Light* Brother Raymond shows how to have a relationship with God through His Light, His Love, and His Word. Brother Raymond digs deeper into Scripture and takes examples from his own life to show how God's light is present in every circumstance and points those in darkness into the glory of God's light. Could you relish a great relationship with God our Heavenly Father? Yes, you can. Love, Love, Love Stephen Turoff, 2019-12-11 How can we become aware of pure unconditional love? With simple yet shattering words, Stephen Turoff seeks to awaken us to knowledge that already resides deep in our hearts: that God is love and love is God. Love is the power that created the universe and permeates all Creation. When we realize this, we are led to a recognition of our true nature as human beings. Stephen's astonishing message, presented here as transcripts from a series of six seminars, can rouse us to reassess our lives and the way we think and act. We are perfect beings who have forgotten our divine nature. Our true self wants to awaken to the divine presence within. With guidance, we can teach ourselves to listen to the voice of our heart in order really to know and experience truth. Stephen leads us to a deeper understanding of our connection with God and the purpose of our lives on earth. The knowledge he shares is based on profound life experience and a singular understanding of God and universal laws. Stephen Turoff is a psychic surgeon with a world-wide following and a history of miraculous healings as long as an NHS waiting list; even some mainstream doctors reluctantly acknowledge the evidence of his success. *More to Life* magazine: Stephen Turoff has been a spiritual healer for over 40 years.
