## Reaching Out In Love:

**Necessary Risks** Teri McDowell Ott, 2022 In *Necessary Risks* Teri McDowell Ott explores her wrestling as a privileged white Christian woman with ten risks and the underlying systems and structures that need to be changed. Such risks she argues transform individuals and communities creating a path toward a more equitable and just world. *WomanPrayer WomanSong* Miriam Therese Winter, 2008-07-01 *WomanPrayer WomanSong* is a groundbreaking contribution to the church of our day. While drawing on scripture and affirming God's self-revelation in Jesus Christ, this exciting book addresses the urgent need for ritual which incorporates women's experience. Feminine biblical images of God are recovered, feminine pronouns for God are supplied, valiant women are remembered, the church year is reinterpreted to highlight women's experience and oppression, and violence against women in scripture and society are exposed. I have been searching for alternatives to hierarchical, coercive male images of God which are at the same time faithful to the Christian revelation. I have found a rich resource here. Ruth Duck, Pastor, Professor of Worship, Garrett Evangelical Theological Seminary. With Miriam Therese Winter's *WomanPrayer WomanSong*, the feminist movement in the Christian community goes beyond the critique of patriarchal bias in religion and begins a new phase. Through a new religious encounter with the Mother spirit of God, a new religious culture begins to develop that also renews the liberating grace and power of biblical faith. For the first time, the church prays and sings the ancient story of creation and redemption through women's creative imagination. Rosemary Ruether, author of *Women Church*. By drawing on tradition to challenge tradition, this book models how a feminist hermeneutic can revitalize tradition. The preface, liturgies, and songs reveal a sophisticated theological mind blessed with the gift of poetic expression. Thomas Troeger, Professor of Preaching and Parish Ministry and Vice President and Dean of Academic Affairs, Iliff School of Theology. **In the Spirit of Love** Ames, 2009 Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames' life. Reading and reflecting on the words, people will be deeply moved by the love, the tenderness, and the kindness in which God reaches out to all of us. His words explain, sometimes in mystical and deeply spiritual ways, but always with simplicity, the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church. It is amazing that the almighty God would love mankind so much that He sent His only Son, Jesus, to suffer and die for us. This book helps bring a better understanding of the immeasurable love that God has for each one of us and, in places, brings those who will be open to it to a close relationship with Jesus on the cross of love. [Songs and Stories of Love](#) Pasquale De Marco, 2025-03-23 Love, the most powerful and enigmatic emotion known to humankind, has inspired countless works of art, literature, and music throughout history. Life's Ever Changing Emotions Ronald Black,2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the

end of the day if we listen closely we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through lifes ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim     Drowning In God's Love K.L. Bauman,2022-12-15 The call of God is not just for a select few but for everyone Whether I hear God s call or not depends on the condition of my ears and exactly what I hear depends on my spiritual attitude Oswald Chambers We are all children of God How easy it is to forget this God loves us all in the same way and in the same amount It is a given like the breath we draw each day by each beat of our heart by all that makes each of us holy Faith and love are important pieces of our lives They may be all that keep us moving on in our journeys Just as we begin life s journey beginning and continuing the journey is important in our spiritual lives If we are looking for God God is also looking for us We have heard the saying Seek and you shall find This saying can never be truer than when we speak about searching for God and more importantly finding God The author had a transforming experience in the year 2000 God truly found him This book Drowning in God s Love is a record that chronicles the outcome of this experience It provides the reader with a path to find this deeper relationship that we all seek Hopefully it will help the reader to find a way to a deeper relationship with God through the poetry and spiritual writing found here     How to Lay on the Altar Without Wiggling Dorothy Womack,2003-05-28 How to Lay on the Altar Without Wiggling contains inspirational instructive liberating principles and insights into the mind of God and moving of the Holy Spirit within human lives     **Five Practices of Fruitful Living** Bishop Robert Schnase,2010-09-01 How do I cultivate a life that is purposeful deep and fruitful What are the commitments critical risks and personal practices that open me to God s grace How can I discover the spiritual life and the difference God intends for me to make in the world Radical Hospitality Passionate Worship Intentional Faith Development Risk Taking Mission and Service Extravagant Generosity Five Practices of Fruitful Living provides an honest practical and winsome guide to the spiritual journey By repeating and deepening certain
