Reader And Shakespeares Young Man Sonnets:

Reader and Shakespeare's Young Man Sonnets Gerald Hammond, 1981-06-18 **First Readers of Shakespeare's Sonnets, 1590-1790** Faith D. Acker, 2020-09-22 For more than four centuries cultural preferences literary values critical contexts and personal tastes have governed readers responses to Shakespeare s sonnets Early private readers often considered these poems in light of the religious political and humanist values by which they lived Other seventeenth and eighteenth century readers such as stationers and editors balanced their personal literary preferences against the imagined or actual interests of the literate public to whom they marketed carefully curated editions of the sonnets often successfully Whether public or private however many disparate sonnet interpretations from the sonnets first two centuries in print have been overlooked by modern sonnet scholarship with its emphasis on narrative and amorous readings of the 1609 sequence First Readers of Shakespeare s Sonnets reintroduces many early readings of Shakespeare s sonnets arguing that studying the priorities and interpretations of these previous readers expands the modern critical applications of these poems thereby affording them numerous future applications This volume draws upon book history manuscript studies and editorial theory to recover four lost critical approaches to the sonnets highlighting early readers interests in Shakespeare s classical adaptations political applicability religious themes and rhetorical skill during the seventeenth and eighteenth centuries

Shakespeare's Global Sonnets Jane Kingsley-Smith, W. Reginald Rampone Jr., 2023-02-22 This edited collection brings together scholars from across the world including France Italy Germany Hungary Japan the USA and India to offer a truly international perspective on the global reception of Shakespeare s Sonnets from the 18th century to the present Global Shakespeare has never been so local and familiar as it is today The translation appropriation and teaching of Shakespeare s plays across the world have been the subject of much important recent work in Shakespeare studies as have the ethics of Shakespeare s globalization Within this discussion however the Sonnets are often overlooked This book offers a new global history of the Sonnets including the first substantial study of their translation and of their performance in theatre music and film It will appeal to anyone interested in the reception of the Sonnets and of Shakespeare across the world *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *Reading Shakespeare's Poems in Early Modern England* S. Roberts, 2002-11-19 This is the first comprehensive study of early modern texts readings and readers of Shakespeare s poems in print and manuscript Reading Shakespeare s Poems in Early Modern England makes a compelling contribution both to Shakespeare studies and the history of the book Examining gendered readerships and the use of erotic works reading

practises and manuscript culture textual forms and transmission literary taste and the canonisation of Shakespeare this book argues that historicist criticism can no longer ignore histories of reading *Reading Shakespeare's Will* Lisa Freinkel, 2002

The most influential treatments of Shakespeare's Sonnets have ignored the impact of theology on his poetics examining instead the poet's secular emphasis on psychology and subjectivity *Reading Shakespeare's Will* offers the first systematic account of the theology behind the poetry Investigating the poetic stakes of Christianity's efforts to assimilate Jewish scripture the book reads Shakespeare through the history of Christian allegory To read Shakespeare's will Freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine Freinkel thus challenges the common equation of subjectivity with secularity and defines Shakespeare's poetic voice in theological rather than psychoanalytic terms Tracing from Augustine to Luther the religious legacy that informs Shakespeare's work Freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to Luther's Reformation Delving into the valences and repercussions of this response *Reading Shakespeare's Will* charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of Renaissance literature and thought *Reading Shakespeare's Poetry* Dymphna Callaghan, 2022-11-14

Reading Shakespeare's Poetry A lively exploration of Shakespeare's poems and how they speak to readers *Reading Shakespeare's Poetry* presents a fresh interpretation of Shakespeare's non-dramatic poems providing insights into the individual poems their themes and composition and their relation to the cultural context of Shakespeare's world Dymphna Callaghan considers what makes Shakespeare's language poetic and shows how his poetry is comprised not only of lyrical intensity but also of the language of everyday life Presented chronologically lucidly written chapters examine Venus and Adonis Lucrece The Phoenix and the Turtle the Sonnets and A Lover's Complaint Special attention is paid to the distinctive ways in which lineation rhyme verse forms and meter serve to delineate or erase the boundaries of Shakespeare's poetry Throughout the book the author explains how Shakespeare's language is influenced by predecessors such as Ovid and Petrarch while highlighting how ideas about the social and cultural function of poetry permeate Shakespeare's works Offers an eminently readable yet scholarly exploration of the literary importance of Shakespeare's poems Explains the technical features of Shakespeare's poetic language Addresses the significance of the material form in which Shakespeare's poems appear Includes a discussion of songs poems and sonnets embedded in Shakespeare's dramatic verse *Reading Shakespeare's Poetry* is both a fresh and indispensable guide to the poems and a significant critical intervention This is a must-have book for scholars students and general readers alike **Shakespeare's Reading Audiences** Cyndia Susan Clegg, 2017-06-26

This book asks what Shakespeare's contemporary audiences read and how their reading shaped their reception of his work

The Cambridge Introduction to Shakespeare's Poetry Michael Schoenfeldt, 2010-10-07 Shakespeare's poems aside from the enduring appeal of the Sonnets are much less familiar today than his plays despite being enormously popular in his lifetime This Introduction celebrates the achievement of Shakespeare as a poet providing students with ways of

understanding and enjoying his remarkable poems It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated outlining their exquisite pleasures and absorbing enigmas Schoenfeldt suggests that today's readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal the articulation of a fervent same sex love for example or the incipient racism inherent in a hierarchy of light and dark By engaging closely with Shakespeare's major poems Venus and Adonis Lucrece The Phoenix and the Turtle the Sonnets and A Lover's Complaint the Introduction demonstrates how much these extraordinary poems still have to say to us *An Introduction to Shakespeare's Poems* Peter Hyland, 2017-12-21 An Introduction to Shakespeare's Poems provides a lively and informed examination of Shakespeare's non-dramatic poetry the narrative poems Venus and Adonis and The Rape of Lucrece the Sonnets and various minor poems including some only recently attributed to Shakespeare Peter Hyland locates Shakespeare as a sceptical voice within the turbulent social context in which Elizabethan professional poets had to work and relates his poems to the tastes values and political pressures of his time Hyland also explores how Shakespeare's poetry can be of interest to twenty first century readers The Sonnets and Narrative Poems of William Shakespeare William Shakespeare, 2015-07-08 If William Shakespeare had never written a single play if his reputation rested entirely upon the substantial and sterling body of non-dramatic verse he left behind he would still hold the position he does in the hierarchy of world literature The strikingly modern sonnets intimate baroque and expansive at once the invigorating narratives drawn from classical subjects and the flawless lyricism represented by a poem like The Phoenix and the Turtle permanently deepen our understanding of the multiplicity and extravagant energy of our greatest poet Book Jacket Status Not Jacketed

Shakespeare David M. Bergeron, Geraldo U. de Sousa, 1987 This updated edition should be welcomed by anyone interested in Shakespeare Particularly useful are its pithy introductions and bibliographies on various critical approaches David Bevington editor of Complete Works of Shakespeare A handy compact map to the changing and contested field of Shakespeare studies Bruce R Smith author of Homosexual Desire in Shakespeare's England Copyright Libri GmbH All rights reserved *Shakespeare's Sonnets* Paul Edmondson, Stanley W. Wells, Stanley Wells, 2004 The sonnets are among the most accomplished and fascinating poems in the English language They are central to an understanding of Shakespeare's work as a poet and poetic dramatist and while their autobiographical relevance is uncertain no account of Shakespeare's life can afford to ignore them So many myths and superstitions have arisen around these poems relating for example to their possible addressees to their coherence as a sequence to their dates of composition to their relation to other poetry of the period and to Shakespeare's plays that even the most naive reader will find it difficult to read them with an innocent mind Shakespeare's Sonnets dispels the myths and focuses on the poems Considering different possible ways of reading the Sonnets Wells and Edmondson place them in a variety of literary and dramatic contexts in relation to other poetry of the period to Shakespeare's plays as poems for performance and in relation to their reception and reputation Selected sonnets are discussed in depth

but the book avoids the jargon of theoretical criticism Shakespeare's Sonnets is an exciting contribution to the Oxford Shakespeare Topics ideal for students and the general reader interested in these intriguing poems Mary Wroth and Shakespeare Paul Salzman, Marion Wynne-Davies, 2014-10-10 Over the last twenty five years scholarship on Early Modern women writers has produced editions and criticisms both on various groups and individual authors The work on Mary Wroth has been particularly impressive at integrating her poetry prose and drama into the canon This in turn has led to comparative studies that link Wroth to a number of male and female writers including of course William Shakespeare At the same time no single volume has attempted a comprehensive comparative analysis This book sets out to explore the ways in which Wroth negotiated the discourses that are embedded in the Shakespearean canon in order to develop an understanding of her oeuvre based not on influence and imitation but on difference originality and innovation

A Companion to Shakespeare's Sonnets Michael Schoenfeldt, 2010-03-08 This Companion represents the myriad ways of thinking about the remarkable achievement of Shakespeare's sonnets An authoritative reference guide and extended introduction to Shakespeare's sonnets Contains more than 20 newly commissioned essays by both established and younger scholars Considers the form sequence content literary context editing and printing of the sonnets Shows how the sonnets provide a mirror in which cultures can read their own critical biases Informed by the latest theoretical cultural and archival work

Reading and Writing in Shakespeare David M. Bergeron, 1996 This volume of essays explores reading and writing in Shakespeare and his culture Shakespeare as a worker and writer straddled a margin between an oral customary world and a literate world of specializing professionals in a way that no subsequent writer ever could With the 1623 Folio edition Shakespeare completed the transformation from an active dramatist to an author of a book collected by his friends and now available to readers

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Definitive Shakespeare Companion Joseph Rosenblum, 2017-06-22 This expansive four volume work gives students detailed explanations of Shakespeare's plays and poems and also covers his age life theater texts and language Numerous excerpts from primary source historical documents contextualize his works while reviews of productions chronicle his performance history and reception Shakespeare's works often served to convey simple truths but they are also complex multilayered masterpieces Shakespeare drew on varied sources to create his plays and while the plays are sometimes set in worlds before the Elizabethan age they nonetheless parallel and comment on situations in his own era Written with the needs of students in mind this four volume set demystifies Shakespeare for today's readers and provides the necessary perspective and analysis students need to better appreciate the genius of his work This indispensable ready reference examines Shakespeare's plots language and themes his use of sources and exploration of issues important to his age the interpretation of his works through productions from the Renaissance to the present and the critical reaction to key questions concerning his writings The book provides coverage of each key play and poems in discrete sections with each section presenting summaries discussions of

themes characters language and imagery and clear explications of key passages Readers will be able to inspect historical documents related to the topics explored in the work being discussed and view excerpts from Shakespeare's sources as well as reviews of major productions The work also provides a comprehensive list of print and electronic resources suitable for student research

Reading Sixteenth-Century Poetry Patrick Cheney, 2011-05-06 Reading Sixteenth Century Poetry combines close readings of individual poems with a critical consideration of the historical context in which they were written Informative and original this book has been carefully designed to enable readers to understand enjoy and be inspired by sixteenth century poetry Close reading of a wide variety of sixteenth century poems canonical and non canonical by men and by women from print and manuscript culture across the major literary modes and genres Poems read within their historical context with reference to five major cultural revolutions Renaissance humanism the Reformation the modern nation state companionate marriage and the scientific revolution Offers in depth discussion of Skelton Wyatt Surrey Isabella Whitney Gascoigne Philip Sidney Spenser Marlowe Mary Sidney Herbert Donne and Shakespeare Presents a separate study of all five of Shakespeare's major poems Venus and Adonis The Rape of Lucrece The Phoenix and Turtle the Sonnets and A Lover's Complaint in the context of his dramatic career Discusses major works of literary criticism by Plato Aristotle Horace Longinus Philip Sidney George Puttenham Percy Bysshe Shelley Seamus Heaney Adrienne Rich and Helen Vendler

Shakespeare Survey Stanley Wells, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback
