Touch of Promise Autumn Reed, 2019-06-21 The Collectors may have written the rules but I'm changing the game

After almost losing myself to hatred it's time to shift my priorities. Fighting the Collectors has resulted in nothing but death and destruction and the cycle has to stop. With Geppetto and his minions breathing down my neck, my options are limited: join them or run. So I'll do what I have to, but I'll do it on my terms. If only I wasn't facing more questions than answers. I don't know what's going on with my psychic abilities or magic. The events surrounding my mother's death are still in question, and I have no idea how to maneuver my relationships with Stowe, Noah, Jameson, and Mason. My name is Adele Rose, and I promise things will be different this time.

Slade. England 1606. For young witch Sarah Stone, the power of foresight sometimes seems like more of a curse than a gift. Young witch Sarah Stone has seen the evil coming, dark forces that will lay waste to all she loves. But her warnings go unheeded, and for the first time in her life, the power of foresight seems more like a curse than a gift. Sometimes it's just better not to know. Aspiring magician Tom Wynter spends his nights in the taverns and brothels of Bankside, searching for arcane knowledge. When his cousin Sarah comes to him for help, they embark together on a path to forbidden magic. As dark desires are awoken, the lines between good and evil start to blur. But magic always comes at a cost, and when others start to fall under the shadow of its power, whispers of witchcraft begin to echo through the streets. Then Sarah is arrested. Awaiting her end in a prison cell, there seems to be no escape from her fate. In the last few days that are left to her, can she find a way to turn the curse aside? And what price is she willing to pay? **Touch of a Witch** is the first novel in the seductive *Darkness Rising Series*, although all books in the series can be read as standalones.
