## **Reading Chekhov:**

**Reading Chekhov** Janet Malcolm, 2002-11-12 To illuminate the mysterious greatness of Anton Chekhov's writings Janet Malcolm takes on three roles literary critic biographer and journalist Her close readings of the stories and plays are interwoven with episodes from Chekhov's life and framed by an account of Malcolm's journey to St Petersburg Moscow and Yalta She writes of Chekhov's childhood his relationships his travels his early success and his self imposed exile always with an eye to connecting them to themes and characters in his work Lovers of Chekhov as well as those new to his work will be transfixed by Reading Chekhov

**Interpreting Chekhov's Prose** Leonard A. Polakiewicz, 2024-08-06 The essays collected in this book constitute a new contribution to our understanding of the originality and significance of Chekhov's prose A close textual analysis of his work is provided and especially of previously neglected works some long overdue for in depth investigation that Chekhov himself rightfully considered to be masterpieces Analysis of both these and other previously analyzed works offers a new interpretation which contrasts with those offered by previous Chekhov scholars Works examined include those dealing with Chekhov's astonishingly accurate and artistic portrayal of a wide variety of illnesses without the use of any medical terms These works are shown to be not mere clinical studies but genuine impressive works of art The author who suffered half of his life from tuberculosis effectively portrayed many characters afflicted with this disease which was incurable at the time Many of these works reveal an indisputable symbiosis of the doctor and the artist Chekhov maintained that in Goethe the poet lived amicably side by side with the scientist a fitting description of him as well Doctors the most frequently portrayed characters in Chekhov's oeuvre are appropriately subjected to extensive analysis as are the themes of fate and death and dying that figure so prominently in Chekhov's work Attention is accorded to imaginative fictional works dealing with philosophy and the theme of crime and punishment as well as The Island of Sakhalin a narrative of non fictional sociological content

*Seeing Chekhov* Michael C. Finke, 2018-07-05 Chekhov's keen powers of observation have been remarked by both memoirists who knew him well and scholars who approach him only through the written record and across the distance of many decades To apprehend Chekhov means seeing how Chekhov sees and the author's remarkable vision is understood as deriving from his occupational or professional training and identity But we have failed to register let alone understand just what a central concern for Chekhov himself and how deeply problematic were precisely issues of seeing and being seen from the Introduction Michael C. Finke explodes a century of critical truisms concerning Chekhov's objective eye and what being a physician gave him as a writer in a book that foregrounds the deeply subjective and self-reflexive aspects of his fiction and drama In exploring previously unrecognized seams between the author's life and his verbal art Finke profoundly alters and deepens our understanding of Chekhov's personality and behaviors provides startling new interpretations of a broad array of Chekhov's texts and fleshes out Chekhov's simultaneous pride in his identity as a physician and devastating critique of turn of the century medical practices and ideologies *Seeing Chekhov* is essential reading for students of Russian literature devotees of the short story and modern drama and anyone interested in the intersection of literature psychology and medicine

The Spot David Means, 2010-05-25 The Spot is an old blacksmith shed in which three men tweeze apart the intricacies of a botched bank robbery The Spot is a park on the Hudson River where two lovers sense their affair is about to come to an end The Spot is at the bottom of Niagara Falls where the body of a young girl floats as if caught in the currents of her own tragic story The Spot

is in the ear of a Manhattan madman plagued by a noisy upstairs neighbor The Spot is a suburban hospital room in which a young father confronts his son's potentially devastating diagnosis The Spot is a dusty encampment in Nebraska where a gang of inept radicals plot a revolution The Spot draws thirteen new stories together into a masterful collection that shows David Means at his finest at once comically detached and wrenchingly affecting expansive and concise wildly inventive and firmly rooted in tradition Means's work has earned him comparisons to Flannery O'Connor London Review of Books Alice Munro Bob Dylan Jack Kerouac Newsday Hemingway Sherwood Anderson Chicago Tribune NPR Denis Johnson Entertainment Weekly Poe Chekhov and Carver Milwaukee Journal Sentinel but the spot he has staked out in the American literary landscape is fully and originally his own

**Chekhov and Russian Religious Culture** Julie W. De Sherbinin, 1997 Chekhov and Russian Religious Culture is an innovative study of the Virgin Mary and the saintly harlots Mary of Egypt and Mary Magdalene as a cultural paradigm encoded in Chekhov's prose De Sherbinin establishes the authority of the Marian paradigm in nineteenth century Russian culture with a comprehensive overview of salient religious and literary texts then offers critical readings of more than fifteen Chekhov stories including key works such as Peasants Peasant Women and My Life De Sherbinin argues that Chekhov inverts and displaces the Christian meanings of Marian texts in order to reveal a vast array of problematized relationships to the canonized figures This illuminating semiotic reading of Chekhov explores questions of female identity as it probes the mindset of Russian Orthodox popular culture
