

It was a Tuesday morning in April. Ana got up early. She was going to wear her lucky blue skirt to school. She really liked that skirt. She had a new shirt to match it, and new shoes, too. After Ana got dressed, she went into the kitchen, where she could smell bacon. Ana's father was making bacon and toast. Ana loved bacon in the morning. Ana's mother was getting ready for work. Ana's mother is a teacher at Ana's school. Ana is in the second grade, and her mother teaches fourth grade. Ana was excited about going to school. Her class was going to take a test to see how much they had learned so far that year. Ana couldn't wait to get to school. Ana sharpened her new pencils for the test. She was going to do her very best on that test. Ana loved school, and she liked to make good grades. Ana ate her breakfast, and then she and her mother went to the school. Ana went straight to her classroom. Her teacher, Ms. Browner, was already there. It was fun to be in Ms. Browner's class. She was a great teacher. Ana's classmates arrived. Ms. Browner called roll, and then they

started the test. Ana tried to remember all the things her teacher had taught her that year, and tried very hard to do everything right on the test. The test took over an hour. After the test was over, the class played outside for a long time. Then they ate lunch. After lunch, they watched a funny movie, and then drew pictures until it was time to go home. It was a great day!

Making Words Stick shows you how to move beyond spelling lists and rote memorization to make words both meaningful and memorable for all your students. It builds on the connection between vocabulary and comprehension and guides teachers in their most important task: building a strong literacy foundation. Full of efficient, effective, and engaging strategies, this useful guide explores innovative ways to organize vocabulary instruction in the grade 1 to 8 classroom. It demonstrates how to create a positive, student-centered environment for the concept-based, multi-layered learning of words; teach vocabulary during shared reading, guided reading, and independent center time; incorporate visual displays of read-aloud picture study vocabulary to develop important conceptual knowledge; introduce think and search prompts and stretch charts to expand word knowledge during shared reading; build reading and writing independence with a wealth of fun, small-group and word-play challenges. From the role of semantics and syntax to original classroom-tested activities, this imaginative guide helps you give your students the lifelong gift of words and language.
