The

Great Reversal David Moberg,2007-01-01 Why did the evangelical church which had been the leader in social welfare and

reform prior to the twentieth century discontinue its involvement in social concerns Is a commitment to personal evangelism incompatible with an interest in social issues In this provocative book Dr Moberg analyzes the Great Reversal of the early twentieth century and discusses its causes and effects all in the context of seeing the Bible as the guide to faith and conduct The importance of recognizing and coping with social evil as well as personal sin is emphasized and the author concludes with a summary of developments that are helping to reverse the Great Reversal and restore evangelical Christianity to its rightful place of leadership **The Lutheran Companion** ,1919 **Catholic Social Teaching Workbook** Sophia Institute for Teachers, **ThirdWay** ,1991-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
