

PRAISE FOR
SEE JANE WIN

"One of the most urgent stories of our time, about the approach, priorities, and challenges faced by new kinds of leaders aiming for new kinds of political power, with an eye toward permanently altering (and perhaps saving) our democracy. Moscatello's view is both broad and deep: she is looking at the story of women in contemporary politics from multiple angles, and understands race, age, and class—and the ideological and policy commitments of these candidates—to be just as crucial to their stories as their gender."

—**REBECCA TRAISTER**

New York Times bestselling author of *Good and Mad*
and *All the Single Ladies*

"A behind-the-scenes look at the most hopeful trend in American democracy, full of gripping stories and well-researched analysis. If you want to know how our politics are changing—or you want to change them yourself—*See Jane Win* is an indispensable guide."

—**DAVID LITT**

New York Times bestselling author of
Thanks, Obama: My Hopey, Changey White House Years

"If you were depressed about the 2016 election, *See Jane Win* is a balm—and a playbook. . . . If you want to understand where we are as a nation and what to watch for in 2020—or if you want to renew your faith in American politics, and maybe even run yourself—you must read this book."

—**III I FILIPPO**
