Long Line Rider The Story Of Cummins Prison Farm:

Long Line Rider K. Wymand Keith, 1971-01-01 *Criminal Intimacy* Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America *Prisons and Prison Systems* Mitchel P. Roth, 2005-11-30 Prisons have undoubtedly changed over the years as have penal practices in general though more so in some countries than others Prisons and prison systems have long been an overlooked part of criminal justice research and as a result limited material is available on many institutions This comprehensive encyclopedia provides a historical overview of institutions and systems around the world as well as penal theories prisoner culture and life and notable prisoners and personnel Readers will find a plethora of information including material on such famous prisons as the Tower of London and Alcatraz as well as on such topics as boot camps and parole Other entries include Devil s Island supermaximum prisons Nelson Mandela Pennsylvania system and Amnesty International Numerous appendixes list famous prisoners prison museums prison slang and more **Catalog of**
