Our society is still obsessed with quick fixes. But Peterson's time-tested prescription for discipleship remains the same: a long obedience in the same direction. Following Jesus requires a deepening life of prayer and throughout history Christians have learned to pray from the Psalms. Peterson finds particular encouragement for today's pilgrims in the Songs of Ascents Psalms 120-134. With prophetic and pastoral wisdom he shows how the psalms teach us to grow in worship, service, joy, work, humility, community, and blessing. Now including a bibliography of Peterson's works, **A Long Obedience in the Same Direction** is available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. Jobes writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John's gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God *More Than Equals* Spencer Perkins, Chris Rice, 2021-06-08 Telling the stories of Spencer Perkins and Chris Rice as they served together in an intentionally multiracial ministry this landmark book offers an example of how racial reconciliation is possible and also critical to Christian discipleship With biblical grounding hopeful realism and practical detail this new edition is now available as part of the IVP Signature Collection **The Singer** Calvin Miller, 2020-10-20 In this timeless classic now available in the IVP Signature Collection Calvin Miller retells the story of Jesus through an allegorical poem about a Singer whose song could not be silenced Since it was first published in 1975 The Singer has offered believers and seekers the world over a deeply personal encounter with the gospel [The Mosaic of Atonement](#) Joshua M. McNall, 2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ's work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us
