Bonner,1996 [Civil War](#) Timothy Nolan,1999-12 A collection of short plays about the Civil War designed for use on the classroom Includes historical information suggested readings and classroom activities **The Red River Campaign and Its Toll** Henry O. Robertson,2016-04-13 The Red River Campaign in the spring of 1864 was one of the most destructive of the Civil War The agricultural wealth of the Red River Valley tempted Union General Nathaniel P Banks to invade with 30 000 troops in an attempt to seize control of the river and confiscate as much cotton as possible from local plantations After three months of chaos during which the countryside was destroyed and many slaves freed themselves Banks was defeated by a smaller Confederate force under General Richard Taylor This book takes a fresh look at the fierce battles at Mansfield and Pleasant Hill the Union army s escape from Monett s Ferry and the burning of Alexandria and explains the causes and consequences of the war in Central Louisiana *Prophecy without Contempt* Cathleen Kaveny,2016-03-07 The culture wars have as much to do with rhetorical style as moral substance Cathleen Kaveny focuses on a powerful stream of religious discourse in American political speech the Biblical rhetoric of prophetic indictment It can be strong medicine against threats to the body politic she shows but used injudiciously it does more harm than good **Literature Connections to American History K6** Lynda G. Adamson,1997-09-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes this book helps you locate resources on American history for students Each book presents information in two sections In the first part titles are listed according to grade levels within eras and further organized according to product type The books cover American history from North America Before 1600 and The American Colonies 1600 1774 to The Mid Twentieth Century 1946 1975 and Since 1975 The second section has annotated bibliographies that describe each title and includes publication information and awards won The focus is on books published since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author title or biographical subject **Turning Points—Actual and Alternate Histories** Rodney P. Carlisle,J. Geoffrey Golson,2007-02-14 This work is a creative approach to history that not only recounts what actually happened during the Civil War but also imagines alternate outcomes had key events turned out differently and how they might have changed the course of American history In colorful readable prose this volume provides a full history of the Civil War including John Brown s raid the story of the Confederate States of America the battles of Bull Run Antietam and Gettysburg Sherman s March to the Sea the Emancipation Proclamation the Thirteenth Amendment Lincoln s assassination Reconstruction and Andrew Johnson s impeachment But more importantly it offers a range of essays on how events could have turned out differently militarily politically and culturally It challenges students and general readers alike to remember that the course of history is not preordained Instead history is made in critical moments of decision by those who choose one course of action over another Their choices and the outcomes of those choices could easily have been
