practice Sosler offers a holistic introduction to spiritual formation encompassing biblical truth the pursuit of the good life the contemplation of God and communal belonging Each section includes a biblical and historical precedent for the tradition and highlights an exemplar from church history Augustine on truth Dorothy Day on goodness Teresa of vila on beauty and Dietrich Bonhoeffer on church commitment and community This accessible book provides avenues for a broader and deeper spirituality that can shape the complexity of our souls It is ideal for undergraduate students and as a formation primer for church adult education classes classical schools and homeschooling communities [Happiness and the Christian Moral Life](#) Paul J. Wadell,2024-10-29 As one of the most widely adopted textbooks in the field Happiness and the Christian Moral Life introduces students to Christian ethics through the lens of happiness Drawing on classical and contemporary Christian sources Paul Wadell proposes that the heart of the moral life is not rules and obligations but our deep desire for happiness and fulfillment The fourth edition of this accessible and student friendly text has been revised and updated throughout It introduces Christian ethics with sensitivity towards readers who may not be Christian themselves After setting out the principal argument of the book in the opening chapter subsequent chapters explore the importance of narrative or story for Christian ethics a Christian understanding of the person and vocation the role of the virtues in our quest for happiness the centrality of justice in the moral life the place of friendship and community in a good and flourishing life a Christian theology of freedom how sin hinders one s growth in happiness the meaning and importance of conscience and a Christian understanding of love The fourth addition also includes new sections on several topics such as the Beatitudes forgiveness and reconciliation the social thought of Pope Francis the challenges of climate change and global warming recent thinking on gender and sexual ethics by theologian Bridget Burke Ravizza a politics of charity and racism and ongoing racial conflict This edition also features fresh global examples revised introductions to key thinkers and figures expanded treatment of the theological virtues and a list of key terms at the end of every chapter [Saints at Heart](#) Bert Ghezzi,2019-10-22 Saints at Heart presents an engaging picture of the spiritual life as shown in the experience and writings of the saints The title announces the book s double theme the lives of holy men and women who have consecrated their lives to God and to the possibility of our following them and also dedicating our hearts to God Readers will discover in this book well told and appealing stories of women and men ordinary human beings like themselves who knew God and whose lives as a consequence radiated light love and joy Each story presents the core message of a saint s life and highlights an important spiritual path that readers will be encouraged to follow **Spiritual Socialists** Vaneesa Cook,2019-10-25 Refuting the common perception that the American left has a religion problem Vaneesa Cook highlights an important but overlooked intellectual and political tradition that she calls spiritual socialism Spiritual socialists emphasized the social side of socialism and believed the most basic expression of religious values caring for the sick tired hungry and exploited members of one s community created a firm footing for society Their unorthodox perspective on the spiritual and cultural meaning of socialist

principles helped make leftist thought more palatable to Americans who associated socialism with Soviet atheism and autocracy In this way spiritual socialism continually put pressure on liberals conservatives and Marxists to address the essential connection between morality and social justice Cook tells her story through an eclectic group of activists whose lives and works span the twentieth century Sherwood Eddy A J Muste Myles Horton Dorothy Day Henry Wallace Pauli Murray Staughton Lynd and Martin Luther King Jr spoke and wrote publicly about the connection between religious values and socialism Equality cooperation and peace they argued would not develop overnight and a more humane society would never emerge through top down legislation Instead they believed that the process of their vision of the world had to happen in homes villages and cities from the bottom up By insisting that people start treating each other better in everyday life spiritual socialists transformed radical activism from projects of political policy making to grass roots organizing For Cook contemporary public figures such as Senator Bernie Sanders Pope Francis Reverend William Barber and Cornel West are part of a long standing tradition that exemplifies how non Communist socialism has gained traction in American politics

The Road to Character David Brooks, 2016-09-13 1 NEW YORK TIMES BESTSELLER David Brooks challenges us to rebalance the scales between the focus on external success and our virtues and our core principles NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST With the wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world's greatest thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin learned reticence and the logic of self-discipline; the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confession, *The Road to Character* provides an opportunity for us to rethink our priorities and strive to build rich inner lives marked by humility and moral depth. Joy David Brooks writes, "It is a byproduct experienced by people who are aiming for something else. But it comes: Praise for *The Road to Character*. A hyper-readable, lucid, often richly detailed human story." *The New York Times Book Review*. "This profound and eloquent book is written with moral urgency and philosophical elegance." Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon*. "A powerful, haunting book that works its way beneath your skin." *The Guardian*. "Original and eye-opening." Brooks is a normative version of Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts. *USA Today*.

Mothering, Public Leadership, and Women's Life Writing Claire Wolfeich, 2017-07-31 In *Mothering, Public Leadership, and Women's Life Writing*, Claire E. Wolfeich presents a series of case studies in Christian spirituality, bringing mothers' autobiographical writing into focus for theological reflection. From the medieval mystic Margery Kempe to the twentieth-century activist Dorothy Day, from African American preacher Jarena Lee to labor organizer Dolores Huerta, the book mines women's first-person writing, surfacing critical issues for theological analysis. Listening deeply to these diverse maternal voices, the book advances creative theological reflection on work, vocation, time, poverty, Sabbath, and spiritual guidance. *Mothering, Public Leadership, and Women's Life Writing* demonstrates the significance of the study of mothering for theology and spirituality studies and the import of life writing as an underutilized source for practical theology.

[How to Profit from Prophets](#) Maurice A. Fetty, 1998 Prophets have not done well in history, at least not by ordinary standards. Elijah seemed to be the only one in Israel resisting Baalism. Amos was told to keep silent.

and go back where he came from Jeremiah was scorned and imprisoned John the Baptist was beheaded and Jesus the greatest of them all was crucified By ordinary standards the prophets have not done well because as Jesus said we ignore or kill the messengers of God And yet it is the extraordinary standards of the prophets that intrigue us inspire us and stimulate our minds and consciences to God s ways and thoughts Because of their extraordinary standards the prophets continue to shape us and history In this challenging Advent Christmas book Maurice A Fetty reminds us again how it is important to profit from prophets Maurice A Fetty is Senior Minister of the Congregational Church of Manhasset United Church of Christ in Manhasset New York He has also served churches in Grand Rapids Michigan Minneapolis East Harlem and Brooklyn Fetty holds the Master of Sacred Theology Degree from Union Theological Seminary and the Master of Arts Degree from Christian Theological Seminary In addition to numerous articles he has authored several books including Putting Your Life On The Line Sex Love And Marriage and The Divine Advocacy

The Catholic Worker Movement Mark Zwick,Louise Zwick,2005 This book is essential reading for understanding the legacy behind the Catholic Worker Movement The founders of the movement Dorothy Day and Peter Maurin met during the Great Depression in 1932 Their collaboration sparked something in the Church that has been both an inspiration and a reproach to American Catholicism Dorothy Day is already a cultural icon Once maligned she is now being considered for sainthood From a bohemian circle that included Eugene O Neil to her controversial labor politics to the founding of the Catholic Worker Movement she lived out a civil rights pacifism with a spirituality that took radical message of the Gospel to heart Peter Maurin has been less celebrated but was equally important to the movement that embraced and uplifted the poor among us Dorothy Day said he was a genius a saint an agitator a writer a lecturer a poor man and a shabby tramp Mark and Louise Zwick s thorough research into the Catholic Worker Movement reveals who influenced Peter Maurin and Dorothy Day and how the influence materialized into much more than good ideas Dostoevsky Catherine of Siena Teresa of Avila Francis of Assisi Therese of Lisieux Jacques and Raissa Maritain and many others contributed to fire in the minds of two people that sought to blow the dynamite of the Church in 20th century America This fascinating and detailed work will be meaningful to readers interested in American history social justice religion and public life It will also appeal to Catholics wishing to live the Gospel with lives of action contemplation and prayer

Unruly Saint Danielle L. Mayfield,2022 In 1933 in the shadow of the Great Depression Dorothy Day launched the Catholic Worker Movement a worldwide crusade for equality In Unruly Saint D L Mayfield illuminates the ways in which Day found the love of God in and expressed it for her neighbors during a time of great upheaval
