HERA COOK

Long Sexual Revolution

Kate Fisher, Sarah Toulalan

Long Sexual Revolution:

The Long Sexual Revolution Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s

The Long Sexual Revolution Hera Cook, 2004 Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility **Sexual Revolutions** G. Hekma, A.

Giami, 2014-05-13 *Sexual Revolutions* explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change

Polish Sexual Revolutions Anna Dobrowolska, 2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism *Polish Sexual Revolutions* Negotiating Sexuality and Modernity behind the Iron Curtain studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region **The Case Against the Sexual Revolution** Louise Perry, 2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive

thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated by the author

Immigrants in the Sexual Revolution Andrew DJ Shield,2017-08-29 This book focuses on the latter half of the twentieth century when much of northwest Europe grew increasingly multicultural with the arrival of foreign workers and post colonial migrants whilst simultaneously experiencing a boom in feminist and sexual liberation activism Using multilingual newspapers foreign worker organizations archives and interviews this book shows that immigrants in the Netherlands and Denmark held a variety of viewpoints about European gender and sexual cultures Some immigrants felt solidarity with and even participated in European social movements that changed norms and laws in favor of women s equality gay and lesbian rights and sexual liberation These histories challenge today s politicians and journalists who strategically link immigration to sexual conservatism misogyny and homophobia

Sex Before the Sexual Revolution Simon Szreter,Kate Fisher,2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era s emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives

The Origins of Sex Faramerz Dabhoiwala,2012-05-01 A man admits that when drunk he tried to have sex with an eighteen year old girl she is arrested and denies they had intercourse but finally begs God s forgiveness Then she is publicly hanged alongside her attacker These events took place in 1644 in Boston where today they would be viewed with horror How and when did such a complete transformation of our culture s attitudes toward sex occur In The Origins of Sex Faramerz Dabhoiwala provides a landmark history one that will revolutionize our understanding of the origins

of sexuality in modern Western culture For millennia sex had been strictly regulated by the Church the state and society who vigorously and brutally attempted to punish any sex outside of marriage But by 1800 everything had changed Drawing on vast research from canon law to court cases from novels to pornography not to mention the diaries and letters of people great and ordinary Dabhoiwala shows how this dramatic change came about tracing the interplay of intellectual trends religious and cultural shifts and politics and demographics The Enlightenment led to the presumption that sex was a private matter that morality could not be imposed that men not women were the more lustful gender Moreover the rise of cities eroded community based moral policing and religious divisions undermined both church authority and fear of divine punishment Sex became a central topic in poetry drama and fiction diarists such as Samuel Pepys obsessed over it In the 1700s it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women Arguing that the sexual revolution that really counted occurred long before the cultural movement of the 1960s Dabhoiwala offers readers an engaging and wholly original look at the Western world's relationship to sex Deeply researched and powerfully argued *The Origins of Sex* is a major work of history [Love Lives](#) Carol Dyhouse, 2021-02-11 The story of how women's lives loves and dreams have been re shaped since 1950 the year of Walt Disney's Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life's problems But over the next fifty years women's lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women's lives loves and dreams since 1950 the year in which Walt Disney's film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney's Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women's expectations and emotional landscapes have shifted asking bold questions about how women's lives have been transformed since 1950 How have women's changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered women's life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women **Sex, Politics and Society**, 2014-05-22 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of

social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights *Sex Politics and Society* remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

Responsible Pleasure Caroline Rusterholz, 2024-04-22 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations The period between the 1960s and the 1990s has traditionally been associated with sexual liberation and a growing sense of permissiveness in Britain during which cultural and social norms of young people's sexuality went through a dramatic shift Using the Brook Advisory Centre Brook as a case study *Responsible Pleasure* examines how and why this occurred providing a socio cultural history of youth sexuality in Britain over these three decades It focuses on Brook as a pioneering sexual health charity operating on the cusp of voluntary and state financed sectors From the opening of its first centre in London followed by other centres including Birmingham 1966 Bristol 1968 and Edinburgh 1968 to the present day Brook has been a major provider of contraceptive advice and sexual counselling to unmarried people and teenagers It pioneered an initiative that would form the primary model for the provision of advice on contraception for teenagers in Britain and remains a key player in sexual health services today Although Brook has provoked fierce opposition and triggered recurrent public debates on teenage sexuality little is known of its history As a non governmental organization with deep connections to the Family Planning Association FPA and the National Health Service NHS Brook offers a fascinating case study for exploring the relationship between changing sexual cultures sexual politics and young people's sexual experiences intimacy and subjectivities Drawing on a wide range of archived and published materials as well as oral history interviews conducted by the author this book provides a substantial and original contribution to scholarship on the forging of the modern sexual subject

The Sexual Revolution Peter J. Elliott, 2023-02-20 Bishop Elliott's book is a great tool for defending Catholic sexual ethics as humane and reasonable His experience representing the Holy See at the United Nations has given him a ring side seat in the battles showing just how radical the sexual revolutionaries really are He offers a rare combination of sound theology and practical experience Provided by publisher

Seeking Love in Modern Britain Zoe Strimpel, 2020-03-05 *Seeking Love in Modern Britain* charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women It shows how amid a period of unprecedented sexual and social change the single became a key unisex identity and lifestyle From around 1970 a growing cottage style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms such as Dateline

or CompuDate introduction agencies and the lonely hearts pages of Private Eye Time Out and others Zoe Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people and how by the late 1990s singleness had become the culturally mainstream wholly expected part of the romantic life cycle that it is today Refuting the widespread idea that the Internet invented modern dating this book uses an eclectic and engaging range of first person accounts and snapshots from the time to show that the story of contemporary romance mediated courtship and singleness began in a time long before Tinder

A History of Infanticide in Britain, c. 1600 to the Present A. Kilday, 2013-06-14

The killing of new born children is an intensely emotional and emotive subject The hidden nature of this crime has made it an area incredibly difficult subject area for historians to approach up until now This work provides the first detailed history of infanticide in mainland Britain from 1600 to the modern era

Sexual Revolutions in Cuba Carrie Hamilton, 2012

Chronicling the history of sexuality in Cuba since the 1959 revolution this book frames the relationship between passion and politics in the revolution s wider history and argues that the Cuban revolutionary regime intervened in the sexual lives of Cubans in a variety of ways and transformed key areas of Cuban life including the family reproduction sexual values and sexual relationships Drawing from a major oral history project the Memories of the Revolution oral history project conducted by a team of British and Cuban researchers Hamilton was one of the British researchers on the team between 2003 and 2007 Hamilton explores the experiences and perceptions of sexuality among Cubans across generations and social groups She contextualizes the oral histories within an array of archival and secondary sources relating them to issues of race class and gender as well as to social economic and political change Organized thematically the volume opens with a historical overview that points out that after 1959 revolutionary values continued to coexist with pre revolutionary ideologies in a potent and often contradictory mix Succeeding chapters examine discourse on love romance and passion on both personal and national levels male and female homosexuality sexual repression and changing gender roles and service to the revolution Hamilton explores conflicting notions of Cuba as a site of desire on the one hand and as a place of intense sexual repression especially with regard to homosexuality on the other She identifies many ways in which revolutionary policy affected sexual behavior including changes to policy and laws mass education programs leaders pronouncements on the relationship between good revolutionaries and private life and the provision of incentives to encourage certain forms of sexual union and repressive measures to discourage and punish others Hamilton argues that sexual politics were central to the construction of a new revolutionary society

Bodies, Sex and Desire from the Renaissance to the Present Kate Fisher, Sarah Toulalan, 2015-12-11 An

examination of how bodies and sexualities have been constructed categorised represented diagnosed experienced and subverted from the fifteenth to the early twenty first century It draws attention to continuities in thinking about bodies and

sex concept may have changed but hey nevertheless draw on older ideas and language **Living More Human(e)ly?**

Rebecca Leong, 2025-04-22 Does it really matter who one chooses to marry and how one makes a choice as to who to marry or is it basically true that you always marry the wrong person Was Jane Austen right in her portrayals of couples marrying for love for comfort or for both What about arranged marriages Does the one exist How about soulmates Will getting involved in casual sex or hook up culture affect one's chances of eventually realizing happy lifelong monogamy Are promoters of purity culture basically right that their approach will help lead to happy lasting marriages Can there be a way forward through the culture wars Are dating apps any good Virtue ethics is sometimes drawn upon for a dependable approach to couple relationships But what does this approach consist of and which virtues as there are potentially very many should one focus on particularly when navigating dating culture in contemporary contexts What light might theology history and the human sciences including sociology and psychology shed on these matters Rebecca Leong offers findings from wide ranging interdisciplinary studies that address these questions and more in the process developing a five fold ethic and further building blocks for better approaches to dating in contemporary contexts **Death in Ten Minutes** Fern

Riddell, 2019-03-05 WOMEN WERE NEVER GIVEN THE RIGHT TO VOTE THEY TOOK IT BY FORCE BY ANY MEANS NECESSARY BUT WHY HAS THE RADICAL LEGACY OF THE SUFFRAGETTES BEEN ERASED FROM HISTORY In *Death in Ten Minutes* historian Fern Riddell uncovers the story of radical suffragette Kitty Marion told through never before seen personal diaries in Kitty's own voice In the early twentieth century women in the UK and the US were fighting for the vote using any means necessary Kitty Marion was sent on a mission by the family of Emmeline Pankhurst founders of the leading militant organization for women's suffrage in the UK to carry out a nationwide campaign of bombings and arson attacks in support of their goals Kitty's subsequent arrests and force feedings while in prison put her on a path of dedicated radical activism leading her across the ocean to New York City where she joined Margaret Sanger in advocating for birth control But in the aftermath of World War I the dangerous and revolutionary actions of Kitty and other militant suffragettes were quickly hushed up and disowned by the feminist movement and the women who carried out these attacks were erased from our history Now for the first time their untold story will be brought back to life

Long Sexual Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download Long Sexual Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Long Sexual Revolution has opened up a world of possibilities. Downloading Long Sexual Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Long Sexual Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Long Sexual Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Long Sexual Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Long Sexual Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Long Sexual Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
