Longman Language Activation Dictionary:

Longman Language Activator Della Summers, 1993 Presents linguistic as well as lexical information **Language in Cognition and Affect** Ewa Piechurska-Kuciel, Elżbieta Szymańska-Czaplak, 2013-01-30 The volume contains most updated theoretical and empirical research on foreign or second language processes analyzed from the perspective of cognition and affect It consists of articles devoted to various issues related to such broad topics as gender literacy translation or culture to mention a few The collection of papers offers a constructive and inspiring insight into a fuller understanding of the interconnection of the language cognition affect trichotomy **Bilingual Thematic Dictionaries** Martin Stark, 2011-10-27 This book is concerned with bilingual thematic dictionaries BTDs The three chief aims of the research project are 1 to identify the characteristic features of the bilingual thematic dictionary 2 to gauge its usefulness and 3 to make suggestions as to how it could be improved Various approaches are adopted in order to reveal the nature of the BTD The typological approach considers the lexicographic genres bilingual thematic and pedagogical which have been combined to create this hybrid reference work Particular attention is paid to the BTD's immediate forerunner and closest lexicographic relative the monolingual thematic learner's dictionary Detailed textual analyses of contemporary thematic dictionaries identify the characteristic features of the macrostructure microstructure and other components from a structural perspective In order to evaluate the usefulness of the BTD features identified the textual analyses are supplemented by three pieces of user research involving a questionnaire to elicit learners' opinions a test on the effectiveness of the access structure and an experiment to discover how a learner uses a BTD Activating and Engaging Learners and Teachers Carmen Amerstorfer, Max von Blanckenburg, 2023-03-13 This book offers a nuanced integrated understanding of EFL learning and instruction and investigates both learner and teacher perspectives on four thematically interconnected parts Part I encompasses chapters on psychological aspects related to teaching and learning and presents the latest research on positive language education teacher empathy and well-being Part II deals with EFL teaching methodology specifically related to teaching pronunciation language assessment peer response and strategy instruction Part III addresses aspects of cultural learning including inter- and transculturality digital citizenship global learning and cosmopolitanism Part IV concerns teaching with literary texts for instance to reflect on social and political discourse facilitate empowerment imagine utopian or dystopian futures and to bring non-Western narratives into language classrooms A Computerized Lexicon for Word-Level Tagging, 2023-11-20 The new media revolution has led to a comprehensive digitization of our textual universe and the pervasive incorporation of the media into our everyday lives from mobile telephony to social media This calls for a concerted research effort uniting linguistics and other disciplines involved in language-related research The massive growth in the amount diversity and availability of textual and multimodal language data for many of the world's languages poses several challenges In terms of theory and methods it forces us to rethink traditional notions of what linguistic corpora are and what role they play in linguistic description

Established corpus linguistic methods such as concordancing and textual statistics are increasingly being complemented by visualization and geolocation of digital language data Empirically there is a growing need to document and analyse what people do with language in the increasingly technologized communicative ecology of the 21st century Language and Computers Studies in Digital Linguistics invites contributions which explore innovative intelligent and creative ways of using digital language data resources and infrastructure for linguistic description contribute to the development and refinement of usage based models in linguistics using both quantitative and qualitative methods analyse all aspects of digitally mediated communication from orthography to pragmatics and sociolinguistics
