Longman Idioms Dictionary

John D. Battenburg

Longman Idioms Dictionary:

Longman Idioms Dictionary Karen Stern, 1998 Tearing your hair out over idioms Feel like you're always in the dark Don't worry you can't go wrong with the Longman Idioms Dictionary *Longman Dictionary of English Idioms* Thomas Hill Long, 1979 This dictionary contains an analysis of over 4500 idioms plus over 6000 example sentences many taken from authentic written and spoken sources There is grammatical information on how to use idioms correctly plus explanations of the origins of idioms and cross references *Longman American Idioms Dictionary*, 1999 *Longman Idioms Dictionary*, 1999 **The Longman Dictionary of English Idioms** Thomas Hill Long, 1979 *Longman Pocket Idioms Dictionary* Longman, 2001 *Longman Pocket Idioms Dictionary* Della Summers, 2002-03 The Longman Pocket Idioms Dictionary focuses on over 3000 common idioms It covers frequently used similes and metaphorical idioms with easy to understand meanings as well as more obscure phrases The dictionary also provides definitions for many compound nouns that are idioms Entries may include variations of the main form opposites and related adjectives and nouns An idioms quiz and several blank pages for notes are found at the back of the dictionary Features Over 3000 idioms Clear and easy definitions Thousands of examples showing real usage A unique Activator section visually organizes similar idioms **The Longman Dictionary of Spanish Grammar and Idioms** André O. Hurtgen, 1991 **A Syntactic Study of Idioms** Anna Dąbrowska, 2018-09-30 Since the general tendencies of present day English focus more on idiomatic usage it seems to be worth paying attention to the role phraseological units play in a language In the field of English phraseology linguists have shown a constant interest in idioms Undoubtedly not only are idioms an important part of the language and culture of the society but they also carry more impact than non idiomatic expressions because of their close identification with a particular language and culture It is difficult to speak or write English without using idioms especially while describing one's emotional or mental condition Therefore it is interesting and worthwhile to to analyse both the language of phraseological units and emotions In other words this book focuses not only on idioms but also on one's psychological condition However its purpose is neither to discuss the issues of idioms and emotions from the psychological point of view nor provide a conceptual analysis of emotional metaphors Instead the book analyses idioms referring to psychological states in English from the perspective of syntax focusing particularly both on the syntactic structure of this specific set of verbal psych idioms and on the constraints on the way they are built Therefore the most current studies performed within the scope of the Phase Theory and the Idioms as Phases Hypothesis are chosen to address certain syntactic problems that idioms pose **The Longman Dictionary of French Grammar and Idioms** André O. Hurtgen, 1991-01-01 **English Dictionaries for Foreign Learners** Anthony Paul Cowie, 2002 This is the first history of dictionaries of English for foreign learners from their origins in Japan and East Asia in the 1920s to the computerized compilations of the present Monolingual dictionaries for foreign speakers were a revolutionary development at their outset and now represent a coming together of intellectual technological and commercial

forces almost unequalled in book publishing As the author shows the early history of EFL dictionaries was research driven arising directly from research in linguistic theory and language pedagogy now it is user driven determined by what users require or are thought to require The pioneering dictionaries were the work of individuals Current dictionaries are the products of huge databases manipulated by sophisticated processing as publishers strive to share an immense and ever growing global market The book has both a thematic and a chronological structure Three chapters describe the historical sequence over a period of some sixty years These alternate with chapters dealing with phraseology computers and corpus linguistics and research into dictionary users and uses three subjects central to the development of ELT dictionaries over the last thirty years Anthony Cowie examines the way in which availability of massive computing power has transformed the recording and analysis of current speech and shows how the growth of research into the users and uses of dictionaries has led to developments both in ELT lexicography and method This readable and non technical account is directed at professionals in applied linguistics and English language teaching and at lexicographers but it will fascinate everyone concerned with the analysis of English and faced with the challenge of recording the subtleties of its grammar and meaning

Idioms in English Jürg Strässler, 1982 **Bilingual Lexicography from a Communicative Perspective** Heming Yong, Jing Peng, 2007-06-27 This stimulating new book as the premier work introducing bilingual lexicography from a communicative perspective is launched to represent original thinking and innovative theorization in the field of bilingual lexicography It treats the bilingual dictionary as a system of intercultural communication and bilingual dictionary making as a dynamic process realized by sets of choices characterizing the overall nature of the dictionary It examines the dictionary and dictionary making by using a model of lexicography which stresses the three way relationship of compiler dictionary context and user and incorporates them into a unified coherent framework Throughout the study special focus is on English and Chinese bilingual lexicography It will serve not only as a valuable guide to those interested in dictionary compilation and theoretical inquiries but also as a textbook for undergraduate and postgraduate courses in bilingual lexicography

Idiomatic Creativity Andreas Langlotz, 2006-01-01 This book revisits the theoretical and psycholinguistic controversies centred around the intriguing nature of idioms and proposes a more systematic cognitive linguistic model of their grammatical status and use Whenever speakers vary idioms in actual discourse they open a linguistic window into idiomatic creativity the complex cognitive processing and representation of these heterogeneous linguistic constructions Idiomatic creativity therefore raises two challenging questions What are the cognitive mechanisms that underlie and shape idiom representation How do these mechanisms define the scope and limits of systematic idiom variation in actual discourse The book approaches these problems by means of a comprehensive cognitive linguistic architecture of meaning and language and analyses them on the basis of corpus data from the British National Corpus BNC Therefore Idiomatic Creativity should be of great interest to cognitive linguists phraseologists corpus linguists advanced students of linguistics and all readers who are

interested in the fascinating interplay of language and cognitive processing This book has a companion website www.idiomaticcreativity.ch **ReJoycing** Rosa Bollettieri Bosinelli, Harold F. Mosher Jr., 2021-05-11 In this volume the contributors a veritable Who's Who of Joyce specialists provide an excellent introduction to the central issues of contemporary Joyce criticism *Cross-linguistic Influences in the Second Language Lexicon* Janusz Arabski, 2006-02-28 This volume contains a selection of papers analyzing language transfer a phenomenon which results from language contact in bilingual and multilingual language acquisition and learning contexts The main focus of the volume is on the lexical aspects of language transfer *Researching Collocations in Another Language* Andy Barfield, Henrik Gyllstad, 2009-10-09 This volume brings together original research in the four areas of L2 collocation learner corpora L2 collocation lexicographic and classroom materials L2 collocation knowledge assessment and L2 collocation learner processes Each area is covered by three research chapters and a dedicated commentary chapter by experts in the field **Teaching Language Arts to English Language Learners** Anete Vásquez, Angela L. Hansen, Philip C. Smith, 2010-11-24 Examines the challenges that English language learners face and offers educators practical suggestions on how they can help their students learn English reading writing grammar and vocabulary as well as build their speaking listening and viewing skills **Know it All, Find it Fast** Robert John Duckett, Bob Duckett, Peter Walker, Christine Donnelly, 2008 There is a queue the phone is ringing the photocopier has jammed and your enquirer is waiting for a response You are stressed and you can feel the panic rising Where do you go to find the information you need to answer the question promptly and accurately Answering queries from users is one of the most important services undertaken by library and information staff Yet it is also one of the most difficult least understood subjects There are still very few materials available to help frontline staff often paraprofessional develop their reader enquiry skills This award winning sourcebook is an essential guide to where to look to find the answers quickly It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more It is arranged in an easily searchable fully cross referenced A Z list of around 150 of the subject areas most frequently handled at enquiry desks Each subject entry lists the most important information sources and where to locate them including printed and electronic sources relevant websites and useful contacts for referral purposes The authors use their extensive experience in reference work to offer useful tips warn of potential pitfalls and spotlight typical queries and how to tackle them This new edition has been brought right up to date with all sources checked for currency and many new ones added The searchability is enhanced by a comprehensive index to make those essential sources even easier to find saving you valuable minutes Readership Offering quick and easy pointers to a multitude of information sources this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject departments and other information units *English monolingual learners' dictionaries* John D. Battenburg, 2017-12-04 Lexicographica Series Maior features monographs and edited volumes on the

topics of lexicography and meta lexicography Works from the broader domain of lexicology are also included provided they strengthen the theoretical methodological and empirical basis of lexicography and meta lexicography The almost 150 books published in the series since its founding in 1984 clearly reflect the main themes and developments of the field The publications focus on aspects of lexicography such as micro and macrostructure typology history of the discipline and application oriented lexicographical documentation

Longman Idioms Dictionary Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Longman Idioms Dictionary PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Longman Idioms Dictionary PDF books and manuals is convenient and cost-effective, it is vital to respect

copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Longman Idioms Dictionary free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Longman Idioms Dictionary Books

1. Where can I buy Longman Idioms Dictionary books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Longman Idioms Dictionary book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Longman Idioms Dictionary books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Longman Idioms Dictionary audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Longman Idioms Dictionary books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
