Laura Lee Hope, Oh Bunny Here comes Bunker Blue Where is he I don't see him Bunny Brown and his Sister Sue were playing on the shady side porch of their house one morning when the little girl looking up from a cracker box which had been made into a bed where she was putting her doll to sleep saw a tall boy walking up the path There's Bunker went on Sue to her brother Bunny at the same time pointing Maybe he's come to take us for a ride in one of daddy's fishing boats Have you Bunker asked Bunny standing up and brushing some shavings from his little jacket for he had been using a dull kitchen knife trying to whittle out a wooden boat from a piece of curtain stick Oh Bunker have you Have I what asked the tall boy who worked on the dock where Mr Brown the father of Bunny and Sue carried on a boat and fish business Have I what Bunker asked again and he stood still and gazed at the two small children who were anxiously looking at him Have you come to take us for a ride asked Bunny In one of daddy's boats added Sue who generally waited for her brother to speak first since he was a year older than she Not this time messmates answered Bunker Blue with a laugh calling the children the name one sailor sometimes gives to another Not this time messmates I've come up to get the ark Oh the ark cried Bunny Did you hear that Sue Bunker has come up to get the ark Oh Oh and Sue fairly squealed in delight Then we'll have a nice ride in that Wait Bunker till I put my doll away and I'll come with you Wait for me And I'll come too added Bunny I can bring my boat with me Tisn't all done yet he added but I can whittle on it when we ride along and then I can sail it when we get to the dock Now avast there and belay messmates cried Bunker Blue with a laugh using some more of the kind of talk he heard among the sailors that came to Mr Brown's dock with boats of fish Wait a minute I didn't say I had come to give you a ride in the ark I just came to get it But

you will let us ride won't you Bunker asked Bunny smiling at the tall boy Cause we'll sit just as still as anything added Sue And I won't touch the steering wheel not once promised Bunny I guess you'd better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue's chums and when she heard Bunny's sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah's ark away I wouldn't let him if I were you It isn't Noah's ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah's ark but it's bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It's got to be fixed and I'm to drive it to the shop over at East Milford That's why I came up Where's your mother I want to tell her I'm taking away the ark so she won't think some tramps or some gypsies have run off with it I'll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown

desire to look after her to be there for her to never leave her There were obstacles that I had to overcome but in 1637 I made her my wife After she was changed we discovered that Julie could sense feelings My life now had purpose she was everything and she felt the same for me Together we worked at healing both Demons and Humans Normally that is where it would stop we change our mate but Julie and I were different In 1665 the plague had hit London The Vampire returned and so did the Guard Julie had noticed a young man who was angry lonely and deeply upset with himself His family became ill with the plague Julie and I nursed them until their eventual deaths The young man Jonathon became more emotional and was on a path of self destruction he had an ability that he
