Look At Your Eyes:

'A' Game Clare Wilson, 2008-07 In this book Poetic Pete tm AKA Peter Karplus tm author of *Dancing with Fear Rejection Doubt and Hope* and *A Potpourri of Poems* uses free verse haiku iambic pentameter and rhyme and an amazingly sensitive understanding dipped in his own brand of humor as he explores nature and its brilliance and covers subjects of family and friends making dedications to those people in his life who have held special meaning to him as well as illuminating the many shades of love and the range of emotions that are its bedfellows Then he follows with a selection of religion tenured poems ranging from the obtuse to the obvious He goes on to show us a look inward into his life and people s reactions to his speech impediments and bent body that he has had to enlighten and change with his lifelong learned teachings and amazing understanding He then continues with a selection of assorted poems that range from the comical to the serious aspects of life followed by a few poems that take a surreal look at the world Poetic Pete then welcomes us with several of his latest lyrics spanning subjects such as love heartbreak and even politics And in conclusion he ends the book with a couple short stories
