

An aerial, painterly illustration of a valley. In the foreground, a small figure of a person stands on a grassy slope. A winding path leads from the bottom left towards a small village in the middle ground. The village features several houses and a prominent church with a tall, white steeple. The surrounding hills are covered in dense green foliage. In the upper center, a circular inset shows a red, winged figure, possibly an angel or a demon, floating in a dark space.
