Formational Children's Ministry (ēmerſion: Emergent Village resources for communities of faith) Ivy Beckwith,2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation But what if children s ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God the story of church history the story of the local community and the story of the child intersect and speak to one another What if children s ministry was less about downloading information into kids heads and more about leading them into these powerful compelling stories Beckwith aims to help ministers and parents create a ministry that captures children s imaginations not

just to keep them occupied but to live as citizens of the kingdom of God In addition to providing theological reasons for formational children s ministry the book offers examples of how Ivy and other practitioners are implementing a formational model
