hubs Shea crafts a narrative that encapsulates the intersection of art and existential inquiry reflecting the chaotic yet beautiful experience of artistic creation that has marked his personal and professional journey Look Out for Paint is an essential read for those who seek to understand the depths of artistic expression and human experience Shea s unique perspective and evocative writing create a compelling tapestry that invites readers to reflect on their own interpretations of art and life It is a powerful testament to the notion that in every stroke of paint there lies a story waiting to be uncovered

Monica is caught between a rock and a hard place. She is torn between the feelings she has built for Starrshma Fields, her new love interest, and her commitment to uphold the law. With that and then some going on, the Double Gs still operate on the highest level, executing their missions to ensure that their grip on the corporate, political, and underworld remain firm. New alliances are made and new orders are rendered. If you're a major player in the Las Vegas area, you still need to watch out for the big girls better known as the Double Gs.

Blood Will Out Jill Downie, 2014-09-10 In this third book in the series, can Moretti and Falla solve a mysterious case of vampirism? While investigating the apparent suicide of a hermit, Detective Inspector Ed Moretti and his partner Liz Falla of the Guernsey Police have to deal with what seems to be an outbreak of vampirism. Can the threat be real? Or is it something possibly provoked by Hugo Shawcross who is writing a play about vampires for a local theatre group and who narrowly escapes becoming the first victim? As the investigation unfolds, links begin to emerge between the hermit's death, the play in progress, and the tangled lives of one of the Channel Islands' most prestigious families. With the dubious help of island witches and the distraction of his partner's seductive aunt, Moretti employs all his deductive skills to see where the truth lies. Is it to be found among the clues about vampirism and the living dead that present themselves? Or is it buried deep in the past among hidden motives of sex, love, and obsession? The pressure is on Moretti and Falla to uncover the real reason before the attacker strikes again.
