Melotte, 2022-09-29 Catherine Stubin was already looking for a way out of strait laced Louisville Kentucky when a handsome charismatic Irishman walked into her family's Thanksgiving dinner party She was thrilled at first sight Alone desolate and weary of 1870s aristocracy it was easy for Catherine to see Patrick Callaway as a gallant rescuer He quickly swept her off her feet and onto a night train with promises of a grand adventure and new life in the West Enthralled and excited by an impetuous elopement on the newly completed Transcontinental Railroad she had no idea what really lay ahead and would never have expected Patrick to disappear shortly after their arrival in the hardscrabble town of Eagle Rock Far from the love story she'd expected Catherine would have to find her place among boisterous cowboys territorial ranchers hard living rail workers stalwart Native Americans and Mormon settlers Calling on all the strength determination and ingenuity she could muster she would either join real life pioneers and visionaries in shaping the late 19th century American West or return to a life she had come to despise Chapter notes in each book of the Eagle Rock Trilogy provide the historical context and setting for the characters culture and such events as the introduction of irrigation canals so important to present Idaho's economy construction of the Union Pacific Railroad lines rife with scams and cutthroat skullduggery and the early western Feminist movement all of which did unfold in and around this small railroad town **In the Supreme Court of the State of New York** , Country Life , 1922 *Atlantic Reporter* , 1907 At Peril in Riyadh F. influences on national security debates and suggestions for how future strategy and policy may be shaped
