Patricelli, 2018-02-13 Ten years after Leslie Patricelli's first board book took the toddler world by storm she ventures into a new genre with an offbeat and funny illustrated middle grade novel Lily is pretty lucky She made a friend on the first day at her new school even after she barfed on the playground and now she and Darby are the only two members of the RizzleRunk Club Darby is fun She tells funny stories she likes to catch frogs and there's lots of junk food at her house Darby is good at lots of things too Especially lying Which Lily isn't She gets that ants under her skin feeling when she even thinks about doing it But sometimes telling the truth is just too hard so when Lily accidentally does something to the class rat that she's afraid to admit she denies it Soon the lie feels like something awful sitting in the bottom of her stomach Will Lily find a way to let it out *A Song of Muhammad* M. Ambiguity and Film Criticism Hoi Lun Law,2021-02-02 This book defends an account of ambiguity which illuminates the aesthetic possibilities of film and the nature of film criticism Ambiguity typically describes the condition of multiple meanings But we can find multiple meanings in what appears unambiguous to us So what makes ambiguity ambiguous This study argues that a sense of uncertainty is vital to the concept Ambiguity is what presses us to inquire into our puzzlement over a movie to persistently ask why is it as it is Notably this account of the concept is also an account of its criticism It recognises that a satisfying assessment of what is ambiguous involves both our reason and doubt that is reason and doubt can work together in our practice of reading This book then considers ambiguity as a form of reasonable doubt one that invites us to reflect on our critical efforts rethinking the operation of film criticism

Shadows of Foxworth V.C. Andrews,2020-06-30 Forbidden passions have been the hallmark of the Dollanganger clan since *Flowers in the Attic* debuted more than forty years ago In this third book of a new related trilogy witness the birth of the Dollanganger curse as Corrine Foxworth s children learn that family is but destiny by another crueler name As a young girl in France Marlina Hunter s life was a fairy tale She had a talented artist for a father a doting mother and a brother she couldn t be closer to She loved her family she just didn t know what her family actually was When a car crash kills their parents Marlina and Yvon lose not only France but also their identity Sent to Richmond Virginia they arrive at the home of two aunts they ve never met before who tell them that their true last name is Dawson that their father had fled the family years back and that now the family is calling in the debt Trapped in a mansion with as many secrets as rooms Marlina yearns for escape But in America you can either make friends or make profit and Yvon suddenly seems much more interested in the latter While he is free to leave the house Marlina is left to avoid lecherous tutors and the secretary to wife track expected of a woman Caught between mastering the game to escape it and falling prey to its allure she needs to learn fast for Malcolm Foxworth has cast his eye in her direction And no family name can protect her from the twisted roots of the Dollanganger family tree
