Look Away Dixieland James B. Twitchell,2011-03-18 As a boy James Twitchell heard stories about his ancestors in Louisiana and even played with his great grandfather's Civil War sword but he never appreciated the state and the events that influenced a pivotal chapter in his family history His great grandfather Marshall Harvey Twitchell a carpetbagger from Vermont had settled in upstate Louisiana during Reconstruction married a local girl and encountered much success until a fateful day in August 1874 The dramatic story of the elder Twitchell's life and near assassination fuels the author's pursuit of his family's history and a true understanding of the South In *Look Away Dixieland* Vermont native Twitchell sets out from his current home in Florida on the inauguration day of America's first black president to find the real South and to try to understand the truth about his illustrious ancestor He travels in an RV from Georgia's Okefenokee Swamp across Alabama and Mississippi to Coushatta Louisiana As he drives through the heart of Dixie Twitchell sorts through the prejudices he learned from his northern rearing In searching for the culture he had held at arm's length for so long he tours small town southern life in campgrounds cotton gins churches country fairs and squirrel dog kennels and uncovers some fundamental truths along the way Notably he discovers that prejudices of race class and ideology are not limited by geography As one man from Georgia mockingly summed up North versus South stereotypes Y'all are rude and we're stupid Unexpectedly Twitchell also uncovers facts about his great grandfather and sheds new light on his family's past An enlightening humorous and refreshingly honest search *Look Away Dixieland* reveals some of the differences and similarities that ultimately define us as a nation

Look Away, Dixieland Leon F. Harris, Frank Lee Beals,1937 *Eating, Drinking, and Visiting in the South* Joe Gray Taylor,2008-02-01 A lively informal history of over three centuries of southern hospitality and cuisine *Eating Drinking and Visiting in the South* traces regional gastronomy from the sparse diet of Jamestown settlers who learned from necessity to eat what the Indians ate to the lavish corporate cocktail parties of the New South Brimming with memorable detail this book by Joe Gray Taylor ranges from the groaning plates of the great plantations witnessed by Frederick Law Olmsted and a great many others to the less than appetizing extreme guests often confronted in the South's nineteenth century inns and taverns execrable coffee rancid butter and very dubious meat Taylor describes the diet of the early pioneers with its corn bread beaver tail soup and black bear meat and the creation of the South's regional cuisines including Kentucky's burgoo and south Louisiana's gumbo He tells of the rounds of visitation that were the social lifeblood of the Old South of the fatback and hoe cake that fed plantation slaves and of the starvation diet of the Confederate soldier and civilian Taylor then looks at how technological advances and urbanization have in some cases enhanced but more often diluted the southern eating experience and he finds that despite the introduction of fast food abominations and factory made horrors such as quick grits and canned biscuits the region's sturdy eating drinking and social traditions still flourish in many byways and on some main

avenues of the modern South In a new introduction noted food writer John Egerton looks at what motivated Joe Gray Taylor to undertake this fine study and discusses how southern food studies have progressed since the book was first released

Lookaway, Lookaway Wilton Barnhardt, 2013-08-20 Presiding over her family and its legacy of masterpiece Civil War art North Carolina society maven Jerene Jarvis Johnston takes increasingly haphazard steps to protect her grown children from their own heedlessness

An American Iliad Charles Pierce Roland, 2004-01-01 An updated edition of this concise yet comprehensive history of the Civil War written by a distinguished historian of the conflict Charles Roland skillfully interweaves the story of battles and campaigns with accounts of the major political diplomatic social and cultural events of the epoch and insightful sketches of the leading actors Of prime interest are the contrasts he draws between the opposing presidents and generals What traits he asks made Lincoln superior to Davis as a war leader How were Union military leaders able to forge a more effective fighting force a more comprehensive strategy than their opponents Roland's thoughtful answers and his recognition of the contradictions of human nature and the interplay of intention and chance raise this book above a mere recounting of military events The story of the Civil War is the epic of the American people Never has it been told more movingly

Ipswich in the Massachusetts Bay Colony ... Thomas Franklin Waters, 1917

Subduing Satan Ted Ownby, 2014-02-01 The Praying South and the Fighting South are two of our most popular images of white southern culture In *Subduing Satan* Ted Ownby details the tensions between these complex and often opposing attitudes Ownby's recreation of male recreation is rich and fascinating He paints the saloon and the street the cockfighting and dogfighting rings as realms of distinctly male vices enjoyed lustily by men seeking to escape the sweet virtue of the Southern Christian home Nation A bold new thesis Ownby gives us guideposts in the ongoing search for the meaning of southern history *Journal of Southern History* I suspect that for many years ahead Ted Ownby's *Subduing Satan* will serve as the standard guide on how to write religious social history Bertram Wyatt Brown University of Florida This is one of the freshest and most interesting books written about the American South in years By focusing on the cultural conflicts of everyday life Ownby gets us right to the heart of white culture in the South between Reconstruction and the 1920s Edward L Ayers University of Virginia

The World of the Civil War Lisa . Tendrich Frank, 2015-07-28 Covering everything from the arts to food and drink religion social customs and technology this two volume set provides an in depth accessible look at the social cultural economic and political aspects of the American Civil War The American Civil War caused dramatic changes in every aspect of life and society affecting combatants and noncombatants at all levels of the socioeconomic scale *The World of the Civil War A Daily Life Encyclopedia* offers an accessible and reliable reference for the major topics that defined American life during the nation's most tumultuous era Taking a blended approach to history this book covers the military and political history of the era and examines the social and human experiences of the war thereby offering a comprehensive look at the Civil War era's

most significant events people places and experiences The thematic organization of this encyclopedia helps readers to more readily explore related topics The subject matter explored in some 250 entries includes religious beliefs and practices rites of passage soldiers lives and experiences rural and urban life social structure of the Civil War era aristocrats landowners and slaves men s and women s roles and responsibilities holidays festivals and other celebrations tools machinery and inventions and justice and punishment Readers will come away with an understanding of many aspects of daily life during the Civil War era and gain appreciation for the vast differences between life today and 150 years ago Fitzhugh Jenna

Nobles,2021-08-06 The book you are holding in your hands is the story of a brilliant young man from a noble family who was destined to be a major player in the Cold War with Russia He meets and falls in love with a beautiful alcoholic nurse whom he later marries and fathers three children with Fitz s passion for his family could not hold Lib and their marriage sadly ends in divorce As Fitz tastes the agony of defeat he wallows and wanders for years before finally coming to grips with what he truly wants out of life Whispering a prayer in the dead of the night he finds the courage to press on until he receives the battlefield promotion of a lifetime from the President of the United States Ultimately Fitz s longing of a lifetime is realized **Robert**

E. Lee and Me Ty Seidule,2021-01-26 Ty Seidule scorches us with the truth and rivets us with his fierce sense of moral urgency Ron Chernow In a forceful but humane narrative former soldier and head of the West Point history department Ty Seidule s **Robert E Lee and Me** challenges the myths and lies of the Confederate legacy and explores why some of this country s oldest wounds have never healed Ty Seidule grew up revering Robert E Lee From his southern childhood to his service in the U S Army every part of his life reinforced the Lost Cause myth that Lee was the greatest man who ever lived and that the Confederates were underdogs who lost the Civil War with honor Now as a retired brigadier general and Professor Emeritus of History at West Point his view has radically changed From a soldier a scholar and a southerner Ty Seidule believes that American history demands a reckoning In a unique blend of history and reflection Seidule deconstructs the truth about the Confederacy that its undisputed primary goal was the subjugation and enslavement of Black Americans and directly challenges the idea of honoring those who labored to preserve that system and committed treason in their failed attempt to achieve it Through the arc of Seidule s own life as well as the culture that formed him he seeks a path to understanding why the facts of the Civil War have remained buried beneath layers of myth and even outright lies and how they embody a cultural gulf that separates millions of Americans to this day Part history lecture part meditation on the Civil War and its fallout and part memoir **Robert E Lee and Me** challenges the deeply held legends and myths of the Confederacy and provides a surprising interpretation of essential truths that our country still has a difficult time articulating and accepting *The Publishers Weekly* ,1971 *The Professor and the Con* Albert O. Wilkat Retired PE,2015-12-03 The Professor and the Con is a novel set in 1968 the election year and the college protests of the Viet Nam war A new college teacher is a pretty young woman starting her teaching career to be a Professor like her father A recently released convict is a

former returned decorated Viet Nam veteran having completed a prison term for a charge for which he claims innocence He is hired by the University as a Maintenance man Their paths cross amid the college protests over the Viet Nam war She has reservations about associating with a Maintenance employee While he is afraid she will discover that he is an ex convict and there might be talk about a Professor and a Con

Chicorel Index to Biographies Marietta Chicorel,1974 **People in Books** Margaret E. Nicholsen,1977 *How the Word Is Passed* Clint Smith,2021-06-01 This important and timely Drew Faust Harvard Magazine 1 New York Times bestseller examines the legacy of slavery in America and how both history and memory continue to shape our everyday lives Beginning in his hometown of New Orleans Clint Smith leads the reader on an unforgettable tour of monuments and landmarks those that are honest about the past and those that are not that offer an intergenerational story of how slavery has been central in shaping our nation s collective history and ourselves It is the story of the Monticello Plantation in Virginia the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people It is the story of the Whitney Plantation one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it It is the story of Angola a former plantation turned maximum security prison in Louisiana that is filled with Black men who work across the 18 000 acre land for virtually no pay And it is the story of Blandford Cemetery the final resting place of tens of thousands of Confederate soldiers A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history *How the Word Is Passed* illustrates how some of our country s most essential stories are hidden in plain view whether in places we might drive by on our way to work holidays such as Juneteenth or entire neighborhoods like downtown Manhattan where the brutal history of the trade in enslaved men women and children has been deeply imprinted Informed by scholarship and brought to life by the story of people living today Smith s debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism A New York Times 10 Best Books of 2021 **City Under Siege** Mike Wright,2002-03-04 Richmond became the capital of the Confederacy when Virginia joined the Southern cause marking the city as a prime target for the Union army General McClellan was the first Union leader to lay siege to Richmond and that was just the beginning The attractive and genteel city of Richmond would be transformed into a refugee camp a scene of riots and a city sized hospital before the war was over Making use of diaries letters and newspaper accounts from the era Wright brings readers face to face with the men and women who fought for the city endured starvation observed Lee s defeats and Grant s progress and witnessed the Confederacy s last days
