Look Out The Pentecostals Are Coming:

Look Out! the Pentecostals are Coming C. Peter Wagner, 1974 The Changing Church C. Peter Wagner, 2004-07-07
Peter Wagner tells readers exactly how they can contribute to the Church's worldwide fulfillment of God's kingdom on earth. The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit. The Church is being aligned with God's plan for the Great Harvest. While we might feel small in the scheme of things, we can make a huge impact when we unite with what God is doing worldwide. This new vision overlooks denominational barriers, asking one and all to join together for the ultimate fulfillment of God's purposes. *SPIRITUAL WARFARE: A Struggle for Truth* Russell Sharrock, 2007-03-01
Much in the Church is being touted as biblical spiritual warfare, even to changing it from being spiritual to being geographical. This book criticizes spiritual warfare teaching, comparing it to the Bible and offering a biblically reasoned discussion on spiritual warfare. An Evangelical Saga Justice Anderson, 2005 The Holiness-Pentecostal Tradition Vinson Synan, 1997-08-25
Called a pioneer contribution by Church History when it was first published in 1971 as *The Holiness Pentecostal Movement in the United States*, this volume has now been revised and enlarged by Vinson Synan to account for the incredible changes that have occurred in the church world during the last quarter of the twentieth century. Synan brings together the stories of the many movements usually listed as holiness, pentecostal, or charismatic and shows that there is an identifiable second blessing tradition in Christianity that began with the Catholic and Anglican mystics that was crystallized in the teaching of John Wesley and that was further perpetuated through the holiness and Keswick movements of the nineteenth and twentieth centuries to the appearance of modern Pentecostalism. Synan then chronicles the story of the spread of Pentecostalism around the world after the heady days of the Azusa Street awakening, with special attention given to the beginnings of the movement in those nations where Pentecostalism has become a major religious force. He also examines the rise of various mainline church charismatic movements that have their roots in Pentecostalism. Because of the explosive growth of the Pentecostal movement in the last half of the century, Pentecostals and Charismatics now constitute the second largest family of Christians in the world after the Roman Catholic Church. This could well be the major story of Christianity in the twentieth century, writes Synan. Pentecostalism has grown beyond a mere passing movement and can now be seen as a major Christian tradition alongside the Roman Catholic, Orthodox, and Reformation Protestant traditions. *The Holiness Pentecostal Tradition* will continue to be an important handbook for shaping our understanding of this phenomenon.

Facing West David R. Swartz, 2020-04-09
In 1974, nearly 3,000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization. Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States, members of the Latin American Theological Fraternity spoke out against the American Church. Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to a myopic right-leaning politics. Their bold critiques

electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from traditional strongholds in Europe and the United States To be sure evangelical populists who voted for Donald Trump have resisted certain global pressures and Western missionaries have carried Christian Americanism abroad But the line of influence has also run the other way David R Swartz demonstrates that evangelicals in the Global South spoke back to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they advocated for a conservative sexual ethic grounded in postcolonial logic As Christian immigration to the United States burgeoned in the wake of the Immigration Act of 1965 global evangelicals forced many American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of resistance accommodation and cooperation Swartz shows that evangelical networks not only go out to but also come from the ends of the earth

In the Latter Days Vinson Synan,2001 What in the World is God Doing asks Vinson Synan Evil has swept the earth in the twentieth century the bloodiest in human history Yet this century has also seen an astounding outpouring of the Holy Spirit Writing with both a historian s perspective and prophetic urgency Synan helps us understand our times Today God is giving great gifts in times of great trouble In the Latter Days describes the Pentecostal outpouring of the Holy Spirit in the twentieth century It is the greatest revival in human history It has touched millions of lives reached across denominational barriers restored spiritual gifts to Christian life and permanently reshaped Christianity The Pentecostal movement began humbly in a Kansas farmhouse and a shabby Los Angeles meeting hall It spread rapidly throughout the U S spawning several new fast growing denominations and within a few decades had taken hold in every continent Then in the 1960s even Pentecostal Christians were amazed when a neo Pentecostal movement erupted in the mainline Protestant denominations and the charismatic renewal unexpectedly appeared in the Catholic Church In the Latter Days tells the whole dramatic story of God s Pentecostal working our day a day of great evil and a day of great blessing Publisher s information

Bold Faith Ben Pugh,2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity

Apostles of Reason Molly Worthen,2016 In *Apostles of Reason* Molly Worthen offers a sweeping history of modern American evangelicalism arguing that the faith has been shaped not by shared beliefs but by battles over the relationship between faith and reason

Peter Wagner,2011-09-01 For the past

half century C Peter Wagner has been at the leading edge of the key spiritual paradigm shifts that have been accompanied by major moves of the Holy Spirit In the 1960s the missionary movement in South America was at its peak and Dr Wagner was there In the 1970s he was a recognized authority in the church growth movement In the 1980s he taught a popular course at Fuller Seminary with Vineyard movement leader John Wimber that advocated praying healing for the sick spiritual mapping identificational repentance and spiritual warfare Dr Wagner coined the phrase Third Wave to describe this fresh move of the Holy Spirit the impact of which is still being felt today In the 1990s he became a leader of the New Apostolic Reformation and in the new millennium he has championed the Dominion Mandate adopting the Seven Mountain or 7M template for reclaiming the culture for God s kingdom For five decades Dr Wagner has led the church from one great move of God to the next riding the wave of the Spirit through changes he never imagined when he first answered God s call to ministry In Wrestling with Alligators Prophets and Theologians Wagner tells for the first time his personal story of ongoing transformation Readers will get a close up view of the seismic shifts in the church s recent history through the eyes of one of the only people to have seen it all unfold **The Holy Spirit and Christian Mission** Roji T. George,2019-09-10 This is a

collection of articles from various church backgrounds and theological viewpoints It reaffirms the necessity and urgency of a pneumatic missiology It does not speak of God s saving mission as originating simply from God it highlights the central role of the Spirit in the effective mission of the church **Rites in the Spirit** Daniel E. Albrecht,1999-12-01 Rites in the Spirit is a book about spirituality ritual and Pentecostal experience The volume presents a careful and innovative study of Pentecostal practices and experiences Focusing on the very important but often intriguing worship rites that express the spirituality of Pentecostals Albrecht discovers that these Pentecostal charismatic rites and their attending sensibilities also function to shape nurture authenticate and even transform the spiritual lives of these Christians Rites in the Spirit seeks to guide Pentecostals and the charismatically inclined toward self interpretation and a more nuanced conception of and a deeper appreciation for their Pentecostal experience The volume also aims to make a sometimes exotic spirituality more accessible

and understandable to those who have had limited contact with Pentecostal charismatic forms and expressions The Holy Spirit and Mission Dynamics C. Douglas McConnell, 1997-09-15 The Holy Spirit and Mission Dynamics What role does the Holy Spirit play in church growth and missions This question has stimulated much conversation among theologians and missiologists Without reflecting on the matter practitioners are ill equipped to engage in spiritual warfare or discern the hand of God from counterfeit works of human strategy The ten chapters in The Holy Spirit and Mission Dynamics attempt to reflect on the most critical and controversial aspects of the debate The contributors draw from numerous specialties including philosophy hermeneutics historiography and theology Part one provides a biblical theological perspective that helps readers assess phenomena observed in both history and contemporary mission practice Part two gives multiple historical accounts of the Holy Spirit's ministry in various mission contexts Finally the five chapters in part three examine several contemporary concerns raised by Peter Wagner and four respondents This book prepares readers to reflect on their experience in light of theology and exegesis Ultimately they will better understand the Holy Spirit's ministry in diverse missions contexts
