Schairer,2014-11-29 In July 1864 while hemmed in by Grant at Richmond General Robert E Lee conceived a bold plan designed not only to relieve Lynchburg and protect the Confederate supply line but also to ultimately make a bold move on Washington itself A major facet of this plan with the addition of General Jubal Early s forces became the rescue of the almost 15 000 Confederate prisoners at Point Lookout a large Union prison camp at the confluence of the Potomac River and Chesapeake Bay With international recognition hanging in the balance for the Confederacy the failure of Lee s plan saved the Union and ultimately changed the course of the war This work focuses on the many factors that contributed to this eventual failure including Early s somewhat inexplicable hesitancy a significant loss of time for Confederate troops en route and aggressive defensive action by Union General Lew Wallace It also discusses various circumstances such as Washington s stripped defenses the potential release of imprisoned Southern troops and a breakdown of Union military intelligence that made Lee s gamble a brilliant well founded strategy *The Evolution of Washington, DC* James M.
