Coffee with Jesus Craig F. Harrison, 2024-10-08. In 2019, the author experienced a deep and dark night of the soul. In that darkness, he felt abandoned by God. Coffee with Jesus emerged at a 3:00 a.m. encounter with God. It was during the pain, abandonment, and betrayal that the author moved from a religious relationship with Jesus to a deep personal journey of healing and growth.

Morning and Evening Meditations from the Word of God Michael J. Akers, 2014-03-18. There are many devotional books available containing brief daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day, 732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

The Harrington Family Diane Ellis, 2023-08-02. This is the story about George and Janice Harrington and their three children, Kim, Kevin, and Ashley. It tells how they love one another and they take the time to do things together as a family. It also tells about how they help other people whom they see are in need of help. They will try to help people who are down and out and are trying to make it back up to where they were before. Even though the family has their ups and downs, they always try to help each other in bad times. Kevin sees a man sleeping on a bench, and as he looks at the man, he recognizes him as someone he once knew, and he approaches the man and asks him if he went to school with him. The man doesn't want to say who he is, but Kevin invites the man to come home with him. When Janice sees that one of her students is having trouble in her class, she offers to spend some extra time with the student so he can catch up on his studies. When George sees that he can help a client of his who wanted a divorce because she has not seen her husband in two weeks, he went out of his way to help the woman find her husband.
