The Animation Studies Reader Nichola Dobson, Annabelle Honess Roe, Amy Ratelle, Caroline Ruddell, 2018-10-18 The Animation Studies Reader brings together both key writings within animation studies and new material in emerging areas of the field The collection provides readers with seminal texts that ground animation studies within the contexts of theory and aesthetics form and genre and issues of representation The first section collates key readings on animation theory on how we might conceptualise animation and on some of the fundamental qualities of animation New material is also introduced in this section specifically addressing questions raised by the nature style and materiality of animation The second section outlines some of the main forms that animation takes which includes discussions of genre Although this section cannot be exhaustive the material chosen is particularly useful as it provides samples of analysis that can illuminate some of the issues the first section of the book raises

The third section focuses on issues of representation and how the medium of animation might have an impact on how bodies gender sexuality race and ethnicity are represented These representations can only be read through an understanding of the questions that the first two sections of the book raise we can only decode these representations if we take into account form and genre and theoretical conceptualisations such as visual pleasure spectacle the uncanny realism etc *International Motion Picture Almanac* Quigley Publishing,2008 *USA Today* ,2003 **Motion Picture Almanac** ,2006 **Roger Ebert's Movie Yearbook** Roger Ebert,2005 **Uncle John's Truth, Trivia, and the Pursuit of Factiness Bathroom Reader** Bathroom Readers' Institute,2019-09-03 It s all about the facts and Uncle John is back with a ton of them For the 32nd year Uncle John and his loyal researchers have teamed up to bring you the latest tidbits from the world of pop culture history sports and strange news stories If you want to read about celebrity misdeeds odd coincidences and disastrous blunders Uncle John s Truth Trivia and the Pursuit of Factiness has what you need With short articles for a quick trip to the throne room and longer page turners for an extended visit this all new edition of Uncle John s Bathroom Reader is a satisfying read **Film Review** ,2004
