Lord Of Samarcand And Other Adventure Tales Of The Old Orient:

Lord of Samarcand and Other Adventure Tales of the Old Orient Robert Ervin Howard, 2005 For five centuries of Crusades European armies of believers fanatics and mercenaries warred with the followers of the Prophet for control of Asia Minor and Palestine From Jerusalem to Vienna the frontier between West and East saw battle and bloodshed treachery and butchery on a scale hitherto unknown and unimagined The pageantry of medieval knighthood the exoticism of the Orient the ferocity of the invaders from the steppes the mysteries of the seraglio the rise and fall of great dynasties these provided a real historical backdrop for some of Robert E Howard s greatest fiction This volume contains the complete Oriental stories by the creator of Conan the Barbarian and Solomon Kane Some were published in Farnsworth Wright s Oriental Stories between 1930 and 1934 others were left unpublished and are printed here in authoritative texts based on the author s surviving typescripts and still others left unfinished at his death are presented as suggestive evidence of the work he had yet to do As this collection attests no one else writes action stories with Howard s fast paced intensity or brooding moral outlook Here the fates of empires rest on the swords of exiles vagabonds and renegades whether civilization will be annihilated by religious zealots or by bloodthirsty barbarians who is to say

Willard M. Oliver,2025-04-15 Robert E Howard 1906 1936 is most widely known today as the creator of Conan the Cimmerian more popularly referred to as Conan the Barbarian However he also wrote across a wide array of genres for the pulp magazines of the 1920s and 1930s including westerns sports stories boxing adventures supernatural horror and even humor Howard also created many other popular characters such as King Kull Bran Mak Morn Solomon Kane Steve Costigan and Breckenridge Elkins More importantly he created two specific subgenres of fiction sword and sorcery sometimes referred to as heroic fantasy and weird westerns Born and raised in Texas Robert E Howard began his writing career after his family settled in the small Central Texas town of Cross Plains His first professional sale came from the pulp magazine Weird Tales in 1925 and over the next eleven years he wrote hundreds of stories and an equal number of poems With this prolific body of stories he was among the most lauded pulp authors of that era It has been said and rightly so that the secret to his success was that there was a bit of Howard in every one of his characters and because Howard was a Texan even Conan shows elements of the Texan in his persona Robert E Howard The Life and Times of a Texas Author details the many trials and tribulations he faced as he became and remained a full time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis The book both chronicles his personal life and demonstrates how the one driving force in Robert E Howard s life forming the foundation for all of his characters and stories was his personal pursuit of freedom He lived for his freedom he wrote as a means to attain that freedom and while it may sound strange he also died tragically by his own hand in that very same pursuit at the young age of 30 Babylon Under Western Eyes Andrew Scheil,2016-01-01 Babylon under Western Eyes examines the mythic legacy of ancient Babylon the Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style Babylon under Western Eyes is the first comprehensive examination of Babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture **The Robert E. Howard Reader** Darrell Schweitzer,2010-08-01 This anthology presents a wide range of analysis criticism and opinion about one of the most influential fantasy authors of the twentieth century with contributions by such

well known writers and critics as Poul Anderson Fritz Leiber George H Scithers L Sprague de Camp S T Joshi Howard Waldrop Steve Tompkins Darrell Schweitzer Leo Grin Robert Weinberg Mark Hall Charles Hoffman Don D Ammassa Robert M Price Gary Romeo and Scott Connors A must buy for every fan of Robert E Howard Robert of Nantes, Patriarch of Jerusalem (1240-1254) Adam M. Bishop, 2024-04-30 Robert of Nantes was Latin patriarch of Jerusalem from 1240 to 1254 and according to Bernard Hamilton was the most important single person in the Frankish Kingdom of Jerusalem after the Battle of Forbie in 1244 Despite this importance he was a rather obscure figure almost nothing is known about him before he became bishop of Nantes in 1236 How did he rise to such a prominent position in Jerusalem Robert of Nantes Patriarch of Jerusalem 1240 1254 follows Robert from his probable origins in Aquitaine to Italy where he might have been the unnamed bishop of Aquino He was briefly transferred to Nantes in the duchy of Brittany but soon returned to Rome where he was appointed patriarch of Jerusalem in 1240 As patriarch he was present for the fall of Jerusalem to the Khwarizmian Turks the Frankish defeat at Forbie and the subsequent crusade of Louis IX of France This is the first book length biography of any of the Latin patriarchs of Jerusalem It will be of interest not only to historians of the crusades but also to historians of Italy Sicily the Papal States the Holy Roman Empire Aquitaine and Brittany It will hopefully inspire further research on other ecclesiastical and secular leaders of Jerusalem and Cyprus who may not be traditionally considered rulers but who nevertheless helped govern the Frankish kingdoms **Swords from the East** Harold Lamb, 2016-05-01 Their conquest was measured not in miles but in degrees of longitude They smashed the gates of empires overthrew kingdoms diverted rivers and depopulated entire countries They were the Mongols of Genghis Khan swift and merciless but also resourceful bold and cunning Their tale has seldom been told in the West and never by an author with the acumen of Harold Lamb Ride with young Temujin as he outwits schemers and assassins and rises to conquer Asia as Genghis Khan Venture to the land beneath the northern lights on a mission of vengeance with Maak the Buriat Stand with Aruk the gatekeeper and Hugo the Frank as they hold the pass against the Sungar hordes Lamb s action packed Mongolian stories available here in one complete volume restore the Mongols to their place in history portraying them not as mindless barbarians but as men of honor and bravery who laid down their lives for their leader and their lands **The Riot at Bucksnot and Other Western Tales** Robert Ervin Howard, 2005 Robert E Howard turned to writing comic and dialect Western tales only late in his career but he found an immediate and continuously successful market for them and they are in many respects his most accomplished and polished works The sixteen tales collected here are some of the best of his stories featuring Breckinridge Elkins Pike Bearfield and Buckner J Grimes three inimitable characters who lead well intentioned lives of perpetual confusion mischance and outright catastrophe Fifteen of the stories were published between 1934 and 1937 in Action Stories Argosy or Cowboy Stories the other remained unpublished for more than thirty years Many of these stories were rewritten for book publication and have never been reprinted in their original form They are reminiscent of traditional southwestern tall tales told in dialect

featuring larger than life characters swift action broad satire and wry humor **The End of the Trail** Robert Ervin Howard, 2005 I was born in the little ex cowtown of Peaster Texas Robert E Howard wrote to a friend and the first story he ever published in 1922 was a Western sketch Although he went on to write hundreds of fantasy tales set in Conan s Hyborian kingdoms Kull s ancient Atlantis and Solomon Kane s darkest Africa his heart always remained in the West In 1929 he began publishing Western tales but they were unlike any the genre had ever seen they didn t have happy endings or perfect heroes They were grimmer more action packed even cataclysmically violent Howard was fascinated by outlaws and gunmen especially those who crossed over to become lawmen and he knew and interviewed many old timers old law officers trail drivers cattlemen buffalo hunters and pioneers The twelve stories collected here show a West stripped down to essentials where internalized codes of personal honor loyalty and courage matter more than laws progress or civilization Also included are four articles suggestive of his wide ranging interests from Billy the Kid to the eerie and unexplained happenings on the frontier To me the annals of the land pulse with blood and life Howard wrote and his Western stories are full of memorable characters heart pounding action and the distinctive prose generations of fans have come to know and expect and appreciate
