Cosmic Ascension Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book

Pandora's Box Alan Davis, 2022-03-23 Unlike the typical novels PANDORA'S BOX TRILOGY are hybrid books combining fiction and history The fictional story revolves around life lessons and my past experiences The trilogy I've created is unique because it doesn't matter what order they're read in Each book can stand on its own and provides enough detail that knowledge of the other books isn't necessary Although they have some of the same main characters throughout the series each book has a story and writing style different from the rest As readers move on to the other books in the series they'll find connections that are very stimulating and give them a deeper understanding of the characters and life lessons they previously learned

PANDORA'S BOX TRIFORCE is an alternative world fiction book Darth goes on a quest for the Infinity Stone Unforeseen circumstances occur that cripples and almost kills him He ends up in a foreign land that's been plagued by evil While recovering his health Darth greatly improves the quality of life for the people The royals get wind of him and haul Darth away to become an indentured servant They do everything in their power to break him Sunita Lady of the Berkana arrives soon after as the sage representative With her magic and wisdom Sunita helps prepare for the Sacred Ordeal to rid the land of evil With the help of Darth she also reveals the corruption destroying the kingdom

The Saint's Belated Happiness Hari Garasumachi, 2022-09-16 Well what do you expect You're twenty seven years old now Saint Marialite can't believe her ears when her fiancé the crown prince breaks off their engagement due to her age She doesn't let that get her down though considering the hardship she has endured over the past few years her mental fortitude allows her to calmly accept the prince's decision and return home However when she gets there she finds a boy with horns The demon prince grows at an unbelievable speed and in no time at all he falls head over heels in love with Marialite Now he's determined to bring her back to his own country What might bloom between the easygoing saint and the naïve demon prince in this romantic fantasy
