Los Angeles 200 A Bicentennial Celebration:

Los Angeles 200 Art Seidenbaum, Darlene Geis, 1980 Photographs of the people sites and activities of contemporary Los Angeles are presented together with commentaries on key events in each year of the city's two hundred year history An Architectural Guidebook to Los Angeles Robert Winter, 2009-09 Known as the bible to Los Angeles architecture scholars and enthusiasts Robert Winter and David Gebhard's groundbreaking guide to architecture in the greater Los Angeles area is updated and revised once again From Art Deco to Beaux Arts Spanish Colonial to Mission Revival Winter discusses an impressive variety of architectural styles in this popular guide that he co-authored with the late David Gebhard New buildings and sites have been added along with all new photography Considered the most thorough L A architecture guide ever written this new edition features the best of the past and present from Charles and Henry Greene's Gamble House to Frank Gehry's Disney Philharmonic Hall This was and is again a must have guide to a diverse and architecturally rich area Robert Winter is a recognized architectural historian who lives in Los Angeles and has led architectural tours through the Los Angeles area since 1965 He is a professor at Occidental College in Los Angeles The Bicentennial of the United States of America American Revolution Bicentennial Administration, 1977 **Company Men** Clark Davis, 2001-10-12 The story of the early decades of American big business when white collar jobs were new and their future uncertain America's white collar workers form the core of the nation's corporate economy and its expansive middle class But just a century ago white collar jobs were new and their future anything but certain In *Company Men* Clark Davis places the corporate office at the heart of American social and cultural history examining how the nation's first generation of white collar men created new understandings of masculinity race community and success all of which would dominate American experience for decades to come *Company Men* is set in Los Angeles the nation's corporate frontier of the early twentieth century Davis shows how this California city often considered on the fringe of American society for the very reason that it was new and growing so rapidly displayed in sharp contours how America's corporate culture developed The young men who left their rural homes for southern California a century ago not only helped build one of the world's great business centers but also redefined middle class values and morals Of interest to students of business history gender studies and twentieth century culture this work focuses on the company man as a pivotal actor in the saga of modern American history The Real Wild West Michael Wallis, 2000-07-17 Chronicles the history of the 101 Ranch and discusses how the ranch's traveling show embodied the spirit of the American frontier **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., Received document entitled APPLICATION FOR LEAVE TO FILE AMICUS CURIAE THE SAN FRANCISCO: A Love Story in a Time of War Florence Gold, 2012-12-01 It was a time of war But it was also a time of exploration and excitement especially in San Francisco always one of the most romantic cities in the world Young couples separated by circumstances beyond their control relied upon V mail instead of E mail to communicate their passions Instead of Hip Hop

there was the Hop House There and the USO were the places to go to dance flirt and maybe find a special sweetheart This universal love story by Florence Gold speaks of sweetness and sorrow alienation and forgiveness in a more innocent but no less perilous time in our world history *Index of Bicentennial Activities American Revolution Bicentennial*

Administration,1976 **Water and the California Dream** David Carle,2016-05-10 In the last one hundred years imported water has transformed the environment of the Golden State and its quality of life with land ownership patterns and real estate boosterism dramatically altering both urban and rural communities The key to this transformation has been expanded access to water from the Eastern Sierra the Colorado River and Northern California rivers Whoever brings the water brings the people wrote engineer William Mulholland under whose leadership the process of growth through irrigation began Now using first person voices of Californians to reveal the resulting changes author David Carle concludes that it may be time to stop drowning the California dream of the good life with imported water Using oral histories contemporary newspaper articles and autobiographies Carle explores the historic changes in California showing how imported water has shaped the pattern of population growth in the state Because water choices remain the primary tool for shaping California s future Carle also argues that it is possible to improve both the state s damaged environment and the quality of life if Californians will step out of this historic pattern and embrace limited water supplies as a fact of life in this naturally dry region *Subject Catalog, 1981* Library of Congress,1981
