were the size of basketballs Or that dinosaurs have been found all the way in Antarctica Well now you do And you probably  
want to teach your child about this too After all we always want to teach our children as much about the world as possible  
Unfortunately though we can often fall into the trap of junk food entertainment grabbing a toy that keeps them entertained  
for a while but has no educational value And with how fast they are growing it is important to squeeze as much value as  
possible out of what you do buy for them That is why combining entertainment with education is so important Fortunately  
this connect the dots coloring book does just that Not only will this book help keep your child entertained for hours but they  
will also get to practice their counting fine motor skills and learn about dinosaurs at the same time too Here is why you will  
love this Connect the Dots Dinosaurs book Counts 20 100 with the easiest puzzles starting first This will help them gain  
counting confidence as the book progresses Interesting facts on every page so they are inspired to read aloud Caution you  
may need to help them sound out a couple of dinosaur names 25 Mysterious designs they won t know what the dinosaurs are  
until they connect the dots A black page behind every puzzle to stop color bleed through and so you can hang their drawing  
without losing a single page Printed on large 8 5 x 11 paper giving them plenty of room to color Do you think they will like it
