

## Lotus Flower

I dream of you open like the pale Lotus flower  
The petals of your nether lips moist with  
dew drops of honey nectar  
your inner flesh luscious and splayed  
pink to red like a strawberry  
I stare at your belly rising and falling  
My eyes moving upward to the swell  
Of soft round white mountains capped with dark currants  
The odor of your honey melon

rising from the wings of your hips  
reaches my flared nostrils  
it is the sea and mist  
a grotto of joyous communion  
a soft lovely nest of lust  
waiting for the lash of my tongue

**The Flower of the Mind** Alice Meynell, 2018-01-13 Excerpt from The Flower of the Mind A Choice Among the Best Poems This also is all he can plead in regard to a point even more liable to question what degree Of merit should give rank among the Best That a Poem Shall be worthy Of the writer s genius that it shall reach a perfection commensurate with its aim that we should require finish in proportion to brevity that passion colour and originality cannot atone for serious imperfections in clearness unity or truth that a few good lines do not make a good poem that popular estimate is serviceable as a guidepost more than as a compass above all that Excellence should be looked for rather in the Whole than in the Parts such and other such canons have been always steadily regarded He may however add that the pieces chosen and a far larger number rejected have been carefully and repeatedly considered and that he has been aided throughout by two friends Of independent and exercised judgement besides the distinguished person addressed in the Dedication It is hoped that by this procedure the volume has been freed from that onesidedness which must beset individual decisions but for the final choice the Editor is alone responsible It would Obviously have been invidious to apply the standard aimed at in this Collection to the Living Nor even in the cases where this might be done without Offence does it appear wise to attempt to anticipate the verdict Of the Future on our contemporaries Should the book last poems by Tennyson Bryant Clare Lowell and others will no doubt claim and Obtain their place among the best But the Editor trusts that this will be effected by other hands and in days far distant
