**Louisiana History** ,2009

**Caddo:1000** Viola Carruth,2025-02-12

The first detailed history of Caddo Parish Louisiana and the nearby area written in chronological order Mrs Carruth has bridged the episodes in Shreveport s development and related them to state and national events in this 1970 edition History when it comes right down to the writing of it has a way of rewarding the vigilant community and penalizing the improvident The stuff from which it is made can be as enduring as a hierglyphic or as fragile as gauze Frequently events which seem trivial at the moment take on significance later but details become clouded by time s passage and slip to diminished worth while the historian is striving to grasp the precise picture A community then should be sensitive to the footfalls of time because the worn which fails to assess its happenings at reasonbale intervals finds history elusive to those cherishing it too late In 1817

Captain Shreve invented what became the typical Mississippi steamboat. He added luxury to riverboat travel with private rooms, barrooms, and served epicurean meals with much formality. He was credited with coining the maritime term stateroom because he used the names of states rather than numbers to designate the cabins. *Wicked Shreveport* Bernadette J. Palombo, Gary D. Joiner, W. Chris Hale, Cheryl H. White, 2012-03-04. In the rough and tumble days of the nineteenth century, Shreveport was on the very edge of the country's western frontier. It was a city struggling to tame lawlessness and its streets were rocked by duels, lynchings, and shootouts. A new century and Prohibition only brought a fresh wave of crime and scandal. The port city became a haunt for the likes of notorious bank robbers Bonnie and Clyde and home to the influential socialite and Madam Annie McCune. From Fred Lockhart aka the Butterfly Man to serial killers Nathaniel Code and Danny Rolling, Shreveport played reluctant host to an even deadlier cast of characters. Their tales and more make up the devilish history of the Deep South in *Wicked Shreveport*. [Lessons in the History of Louisiana](#) John Bull Smith Dimitry, 1877. **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham, 2001. This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America. *North Caddo Parish* Sam Collier, 2007. In 1835 the United States purchased close to one million acres of land from the Caddo Confederacy of Native Americans; the Louisiana portion became known as Caddo Parish. The Indian agency's protection of that land delayed the settlement of the parish for 25 years or more after it began in other parts of Louisiana, Texas, and Arkansas. The Red River logjam that existed for a few hundred years backed up bayous, which in return created navigable streams and lakes. The uplands contained massive stands of virgin timbers and bountiful fruit, berries, fish, and game. The first land patents were sold in 1841, and by 1850 the area was known as Caddo Prairie. For a majority of the next 100 years, steamboat traffic, homesteaders, plantations, subsistence farmers, logging operations, entrepreneurs, and a building boom brought on by the railroad and oil industries uniquely melded to define local cultural history. Today, three towns and five villages are located in north Caddo Parish, while the memories of 10 historic communities remain strong. *Women's Dress and Casual Shoes*, 1972. *Lynching and Vigilantism in the United States* Norton Moses, 1997-02-25. Beginning with the 1760s when lynching and vigilantism came into existence in what is now the United States, this bibliography fills a void in the history of American collective violence. It covers over 4,200 works dealing with vigilante movements and lynchings, including books, articles, government documents, and unpublished theses and dissertations. Following a chapter listing general works, the book is arranged into four chronological chapters: a chapter on the frontier West, a chapter on anti lynching, and chapters on literature and art. The book opens with a chapter devoted to general works. It then includes chapters on the period from the Colonial era to the Civil War, the Civil War through 1881, and the periods from 1882 to 1916 and 1917 to 1996. The work then turns to the frontier West and to anti lynching bills, laws, organizations, and leaders. Finally, the book includes chapters on vigilantism in literature and art. **Red**
