Aki,2017-01-24 My Heart After Esther could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itohahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itohahn s presentation of Belmarez s story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs      **A Child of Love** Margaret Grant,1904      *Love in a mist, a drama in blank verse* Keningale Robert Cook,1882      **In a Wild Garden by the Sea and Other Poems** Meta Orred,1908      Modern Love and Poems of the English Roadside, with Poems and Ballads George Meredith,2013-01-08 Modern Love and Poems of the English Roadside occupies a distinctive and somewhat notorious place within George Meredith s already unique

body of work Modern Love is now best known for the emotionally intense sonnet cycle which Meredith's own contemporaries dismissed as scandalously confessional and indiscreet While individual sonnets from the work have been anthologized the complete cycle is rarely included and the original edition has not been reprinted since its first appearance in 1862 This edition restores the original publication and supplements it with a range of accompanying materials that will re-introduce Meredith's astonishing collection of poetry to a new generation of readers
