

CONTEXTS

The circumstances and setting that provide background information about an event, statement, or idea. The context helps you more fully understand something.

SOCIAL

Social contexts are all about society and what you need to know about your society in any situation. Society has rules around behavior and interaction.

HISTORICAL

Historical contexts are all about what was unique or specific about a certain time in history. This can include cultural and social contexts that are now in the past.

CULTURAL

Cultural contexts are all about understanding cultural expectations and norms. It is different from social context because it's specific to a culture's or subculture's values, not the values of your society as a whole.

ECONOMIC

Economic contexts describe what you need to know about the economics of a situation. For example, a company trying to expand to a new country will want to know the rules of business and supply chain quality to see if they will succeed.

Love And Marriage Literature And Its Social Context

Douglas Kelly

Love And Marriage Literature And Its Social Context:

Love and Marriage Laurence Lerner,1979 **Shakespeare, Law, and Marriage** B. J. Sokol,Mary Sokol,2003-12-08

This interdisciplinary study combines legal historical and literary approaches to the practice and theory of marriage in Shakespeare's time. It uses the history of English law and the history of the contexts of law to study a wide range of Shakespeare's plays and poems. The authors approach the legal history of marriage as part of cultural history. The household was viewed as the basic unit of Elizabethan society but many aspects of marriage were controversial and the law relating to marriage was uncertain and confusing leading to bitter disagreements over the proper modes for marriage choice and conduct. The authors point out numerous instances within Shakespeare's plays of the conflict over status, gender relations, property, religious belief, and individual autonomy versus community control. By achieving a better understanding of these issues, the book illuminates both Shakespeare's work and his age.

The Art of Love Poetry Erik Irving Gray,2018 The first study to offer an integral theory of love poetry examining why it is that poetry even more than other arts is so consistently associated with romantic love.

A Cognitive Approach to John Donne's Songs and Sonnets M. Winkleman,2013-04-03 Investigations into how the brain actually works have led to remarkable discoveries and these findings carry profound implications for interpreting literature. This study applies recent breakthroughs from neuroscience and evolutionary psychology in order to deepen our understanding of John Donne's Songs and Sonnets.

The Making of the Twentieth-Century Novel John Orr,1987-01-01 *Women and Sexuality in the Novels of Thomas Hardy* Rosemarie Morgan,2006-04-07 The women in Thomas Hardy's novels appear to have no control over their conduct or their destiny. In this book Rosemarie Morgan argues a contrary case: Hardy's women struggle, sometimes winning, often losing, but they are not tame objects to be manipulated. Their resistance emerges in their sexuality, a quality which Hardy was often forced to cloak or disguise. Rosemarie Morgan resurrects Hardy's voluptuous heroines and restores to them the physical sexual reality which Hardy sees as their birthright but which the male-dominated world they inhabit seeks to deny them both within and beyond the novel.

Worldly Saints Leland Ryken,2010-09-28 Ryken's *Worldly Saints* offers a fine introduction to seventeenth-century Puritanism in its English and American contexts. The work is rich in quotations from Puritan worthies and is ideally suited to general readers who have not delved widely into Puritan literature. It will also be a source of information and inspiration to those who seek a clearer understanding of the Puritan roots of American Christianity. Harry Stout, Yale University: the typical Puritans were not wild men, fierce and freaky religious fanatics and social extremists, but sober, conscientious, and cultured citizens, persons of principle, determined and disciplined, excelling in the domestic virtues and with no obvious shortcomings, save a tendency to run to words when saying anything important, whether to God or to a man. At last, the record has been put straight. J. I. Packer, Regent College: *Worldly Saints* provides a revealing treasury of primary and secondary evidence for understanding the Puritans: who they were, what they believed, and how they acted. This is

a book of value and interest for scholars and students clergy and laity alike Roland Mushat Frye University of Pennsylvania A very persuasive most interesting book stuffed with quotations from Puritan sources almost to the point of making it a mini anthology Publishers Weekly With Worldly Saints Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought Christianity Today Ryken writes with a vigor and enthusiasm that makes delightful reading never a dull moment Fides et Historia Worldly Saints provides a valuable picture of Puritan life and values It should be useful for general readers as well as for students of history and literature Christianity and Literature

Devotional Experience and Erotic Knowledge in the Literary Culture of the English Reformation Rhema Hokama,2023 Discusses the ways in which post Reformation devotional practices informed expressions of desire in the poetry of five Renaissance English writers Shakespeare Donne Greville Herrick and Milton Shakespeare's Tragedies and Modern Critical Theory James Cunningham,1997 Individual chapters deal with cultural materialism new historicism poststructuralism and feminist criticism The theoretical basis of each critical mode is examined and some representative critiques analyzed Most importantly in each chapter the various interpretations are tested against Shakespeare's texts and the strengths and weaknesses of the different readings are assessed *Erotic Faith* Robert M. Polhemus,1995-03 In this profoundly original and far reaching study Robert M Polhemus shows how novels have helped to make erotic love a matter of faith in modern life Erotic faith Polhemus argues is an emotional conviction ultimately religious in nature that meaning value hope and even the possibility of transcendence can be found in love Drawing on a wide range of disciplines Polhemus shows the reciprocity of love as subject the novel as form and faith as motive in important works by Jane Austen Walter Scott the Brontës Dickens George Eliot Trollope Thomas Hardy Joyce D H Lawrence Virginia Woolf and Samuel Beckett Throughout Polhemus relates the novelists representation of love to that of such artists as Botticelli Vermeer Claude Lorrain Redon and Klimt Juxtaposing their paintings with nineteenth and twentieth century texts both reveals the ways in which novels develop and individualize common erotic and religious themes and illustrates how the novel has influenced our perception of all art *Sex and desire in British films of the 2000s* Nigel Mather,2021-06-15 This book explores how British filmmakers of the 2000s engaged with the themes of love sex and desire in a wide variety of movies It ranges from powerful contemporary dramas such as Kidulthood Closer and Disobedience to the lighter mood of the Bridget Jones series It also analyses how the lives loves and traumas of historical figures such as Oscar Wilde Sylvia Plath and Iris Murdoch were dramatised on film The book will appeal to literature enthusiasts film students and readers interested in exploring how we may currently live out our hopes fears and dreams in relation to sexual matters and affairs of the heart

Chrétien de Troyes Douglas Kelly,2002 The supplement to the 1976 original bibliography reflects the expanding scope of modern Chr tien studies including items from around the world with the assistance of an international team of scholars The Supplement builds on and completes the Chr tien de Troyes Bibliography first published in 1976 Together the two volumes constitute the fullest and most complete bibliographical source now

available on this major medieval author Chr tien de Troyes bequeathed a corpus of highly original and widely influential Arthurian romances Indeed his direct or indirect influence continued throughout the middle ages and beyond into modern times The Bibliographypermits students of medieval romance to quickly identify the areas in which Chr tien scholarship has been active Items are listed under twenty two topics with numerous sub sections under each topic and cross references for items that treat more than one of the topics The broad geographic and linguistic scope of modern Chr tien studies is evident in items not only from western Europe and North America but also from the growing body of medieval scholarship in eastern Europe Asia Africa South America and Australasia To ensure accuracy and completeness the editor has been assisted by scholars competent in the many languages in which Chr tien studies are now published most notably in Japanese Welsh Rumanian Hungarian and Polish as well as by other scholars and librarians who generously provided assistance and information in finding items difficult to access

A Passion for Books D. Salwak,1999-04-23 Leading writers and critics including Margaret Drabble Alan Sillitoe and Ferdinand Mount share their passion for books and the joys of reading in an inspiring collection of essays and writings A Passion for Books is both a celebration of the value and importance of reading and a spirited defence against the many gloomy voices in our so called electronic age who say the book will soon be obsolete This book itself a joy to read is written for anyone who cares at all about the past and future of books and reading

Passionate Love and Popular Cinema Erica Todd,2013-12-16 This book analyses the romantic drama and the way that passionate love is presented as the central storyline in popular cinema drawing upon genre studies and sociology Exploring the passionate love story as a cinematic form it also contributes through comparison to research on the romantic comedy

Love among the Poets Pearl Chaozon Bauer,Erik Gray,2024-04-16 British literature of the Victorian period has always been celebrated for the quality innovativeness and sheer profusion of its love poetry Every major Victorian poet produced notable poems about love This includes not only canonical figures such as Alfred Lord Tennyson Robert and Elizabeth Barrett Browning and Christina Rossetti but also lesser known poets whose works have only recently become widely recognized and studied such as Augusta Webster and the many often anonymous working class poets whose verses filled the pages of popular periodicals Modern critics have claimed convincingly that love poetry is not just one strain of Victorian poetry among many it is arguably its representative even definitive mode This collection of essays reconsiders the Victorian poetry of love and just as importantly of intimacy a more inclusive term that comprehends not only romance but love for family for God for animals and for language itself Together the essays seek to define a poetics of intimacy that arose during the Victorian period and that continues today a set of poetic structures and strategies by which poets can represent and encode feelings of love There exist many studies of intimate relations especially marriage in Victorian novels But although poetry rivals the novel in the depth and diversity of its treatment of love marriage and intimacy that aspect of Victorian verse has remained underexamined Love among the Poets offers an expansive critical overview With its slate of distinguished contributors

including scholars from the US Canada Britain and Australia the volume is a wide ranging account of this vital era of poetry and of its importance for the way we continue to write love and live today D. H. Lawrence Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence s life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time *Trial by Ordeal* Edward Neill,1999 *Trial by Ordeal* takes a sharp look at central aspects of the critical reception of Thomas Hardy It demonstrates how critical appropriations of Hardy s work often provide a simplifying conventional or conservative image of the writer which a sophisticated view of his creative intentions by no means confirms Edward Neill discusses the dangers inherent in interpreting Hardy s writings in terms of his life the limitations of criticism that views his work as nostalgic reaction approaches to the poetry and the critical response to *Jude the Obscure* **Subversive Family** Ferdinand Mount,2010-06-15 British politician and writer Ferdinand Mount challenges contemporary beliefs about society and family including the history of divorce childcare and the concept of the nuclear family In *Subversive Family* politician and writer Ferdinand Mount argues that society is shaped by a series of powerful revolutionary movements the leaders of which whether they be political ideologues theologians feudal lords or feminist writers have done their utmost to render the family a subordinate instrument of their purpose but that in spite of it all the family endures Mount maintains that many widely held contemporary beliefs about the family are based on a willful misreading of the evidence among the myths are that arranged marriages were the norm until this century that child care is a modern innovation that in earlier societies children were treated as expendable objects that the nuclear family is not a 20th century invention and that romantic love never existed before the troubador poets glorified adultery Divorce he contends is no great novelty either he shows that in many times and places it has been almost as easy to obtain as it is today Far from diminishing the general desire and respect for family life Mount contends that the provision for divorce has been popularly regarded as an integral part of any sensible system of family law This study should jolt the reader into a re assessment of one of the most familiar and ancient institutions and encourage greater consideration for policies today that support the family

International Who's Who of Authors and Writers 2004 Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

Celebrating Thomas Hardy Charles P C Pettit, 1996-07-05 The essays collected in *Celebrating Thomas Hardy* include both scholarly studies by leading academics and personal appreciations by perceptive readers and writers The volume is therefore both a substantial contribution to Hardy studies which will be valuable to students and academics and an approachable companion to Hardy for enthusiasts Responding with a wide variety of subjects and approaches to Hardy's varied voices the volume particularly emphasises Hardy's connections with other writers from John Clare to Toni Morrison
