Love And The Land Beyond:

Love and the Land Beyond James Leasor, 1979-01-01 **The Land Beyond** J.H.E. Lim, 2020-03-24 The Land Beyond is a contemporary fantasy set in the twenty first century This is the second book of The Land series Readers see Josie the protagonist pursuing more unusual adventures in the lands beyond Parallel to her adventures is Josie s interaction with the other characters in the story She discovers as she grows older that friendship love and trust are never constant Attitudes and lifestyles also change In her interaction with others there are moments when Josie realises that she must make choices This causes her to re think her relationship with some of the people she interacts with **The Land Beyond** Leon McCarron, 2020-08-06 SHORTLISTED FOR THE ADVENTURE TRAVEL BOOK OF THE YEAR AT THE EDWARD STANFORD TRAVEL WRITING AWARDS There are many reasons why it might seem unwise to walk mostly alone through the Middle East That in part is exactly why Leon McCarron did it From Jerusalem McCarron followed a series of wild hiking trails that trace ancient trading and pilgrimage routes and traverse some of the most contested landscapes in the world In the West Bank he met families struggling to lead normal lives amidst political turmoil and had a surreal encounter with the world s oldest and smallest religious sect In Jordan he visited the ruins of Hellenic citadels and trekked through the legendary Wadi Rum His journey culminated in the vast deserts of the Sinai home to Bedouin tribes and haunted by the ghosts of Biblical history The Land Beyond is a journey through time from the quagmire of current geopolitics to the original ideals of the faithful through the layers of history culture and religion that have shaped the Holy Land But at its heart it is the story of people not politics and of the connections that can bridge seemingly insurmountable barriers *For Love of the Land* Lois Christiansen Eagleton, 2008-11 Mildred Kanipe was a strong willed woman with set ideas Nobody told her what to do or how to do it When they tried she just smiled and said That s interesting and went ahead and did it her way Mildred carried a pistol except when she was at home on the ranch There she carried a 30 30 rifle She never married and except for an occasional hired hand she ran her almost 1 100 acre ranch by herself All who knew her agree she was an unforgettable character When she died she left her beloved ranch the part her family had owned and farmed for over one hundred years and that she had purchased with her own hard work to the people of Douglas County Oregon for a park This is the story of Mildred the history of the land she loved and the people who came before and after her *Land Beyond the River* Monica Whitlock, 2014-05-27 Along the banks of the river once called Oxus lie the heartlands of Central Asia Uzbekistan and Tajikistan Catapulted into the news by events in Afghanistan just across the water these strategically important intriguing and beautiful countries remain almost completely unknown to the outside world In this book Monica Whitlock goes far beyond the headlines Using eyewitness accounts unpublished letters and firsthand reporting she enters into the lives of the Central Asians and reveals a dramatic and moving human story unfolding over three generations There is Muhammadjan called Hindustani a diligent seminary student in the holy city of Bukhara until the 1917 revolution tore up the old order Exiled to Siberia as a shepherd and then

conscripted into the Red Army he survived to become the inspiration for a new generation of clerics Henrika was one of tens of thousands of Poles who walked and rode through Central Asia on their way to a new life in Iran where she lives to this day Then there were the proud Pioneer children who grew up in the certainty that the Soviet Union would last forever only to find themselves in a new world that they had never imagined In Central Asia the extraordinary is commonplace and there is not a family without a remarkable story to tell *Land Beyond the River* is both a chronicle of a century and a clear eyed authoritative view of contemporary events *The Land Beyond the Forest* Emily Gerard,1888 **The Land Beyond the Forest** Emily Gerard,1888 Novelist Emily Gerard 1849 1905 went with her husband an officer in the Austrian army to Transylvania for two years in 1883 Then part of the Austro Hungarian Empire today a region of western Romania Transylvania was little known to readers back in England In the years following she wrote this full length account published in 1888 as well as several articles on the region which Bram Stoker used when researching the setting for Dracula She describes her encounters with the different nationalities that made up the Transylvanian people Romanians Saxons and gypsies Full of startling anecdotes and written in a novelistic style her work combines her personal recollections with a detailed account of the landscape and people The first volume recounts her first impressions and the superstitions and customs of the Romanian and Saxon populations For more information on this author see http://orlando.cambridge.org/publicsv/People/person_id_geraem **Our Poetical Favorites** ,1881 *The Land Beyond Forever* Tracy Flynn Bowe,2006 This beautifully illustrated magical story about Anne and her mommy traveling through the heart on stars of light to meet with Grandma reminds us that we never lose our connection to those we love while teaching universal spiritual lessons for living with laughter love and joy The post story narrative for adult readers provides insight and understanding helpful to families coping with the serious illness or death of a loved one Readers of all ages and faith traditions will benefit from the lessons so imaginatively presented in this book A CD with narrative and musical versions of the story is included Tracy Flynn Bowe authored the book with illustrations by Jill Dubbeldee Kuhn and music by Kate Flynn and Daniel Moriarty Publisher *What to read at winter entertainments, ed. and arranged by F.
